Tortured with Pain. Too Weak to Work. ULCERS, BOILS AND PIMPLES ALL OVER HER BODY.

Such was the condition of Mrs. Samuel Deitz, Zurich, Ont.

She happily found relief from her terrible suffering by using

Burdock Blood Bitters.

A remedy without a rival for the cure of all diseases and troubles arising from bad blood. A record extending over a quarter of a century and thousands of testimonials will prove this.

Wiggs—Yes; 'Little Slimous' carried off the honors at college. Waggs—I'll bet the honors didn't weigh much.

SPRING MEDICINE. As a spring medicine Burdock Blood Bitters has no equal. It tones up the system and removes all impurities from the blood.

Briggs—Did you meet any attractive people on the steamer? Griggs—Oh, yes. Why, I was seasick all the way over with a most charming blond.

Gladys—So she married him just because he owned an 'auto'? Penelope. Oh, no, because he never got mad when it broke down.

Minard's Lintment the Best Hair Restor. The essentializing-healing principle of the pine tree has finally been successfully separated and refined into a perfect cough medicine.

The food value of a pound of real is little more than half that of a pound of beef. Eggs and lean beef have the same value in equal weight.

DOAN'S KIDNEY PILLS act on the kidneys, bladder and urinary organs only. They cure backaches, weak back, rheumatism, diabetes, congestion, inflammation, gravel, Bright's disease and all other diseases arising from wrong action of the kidneys and bladder.

Why are you in mourning? 'Oh, for my sins.' 'I didn't know that you had lost any.'

Minard's Lintment Cures La Grippe. Bertha—I'm so sorry you asked me to marry you. It pains me to refuse.

THE LADIES FAVORITE. Laxa-Liver Pills are the ladies' favorite medicine. They cure Constipation, Sick Headache, Biliousness, and Dyspepsia without griping, purging or sickening.

Give the world more sunshine and less moonshine. Many people say they are 'all nerves,' easily excited or upset, easily worried and irritated.

Some people's idea of economy is to break every dollar they get hold of so as to save up the pennies they receive in change.

Minard's Lintment For Rheumatism. Ella—Is Bella a girl of high ideals? Stella—I guess so; she's engaged to a footer.

SUDDENLY ATTACKED. Children are often attacked suddenly by painful and dangerous Colic, Cramps, Diarrhoea, Dysentery, Cholera Morbus, Cholera Infantum, etc.

\$2,500,000 FOR IRISH FARMERS. LON DON, April 3.—It was said today that Lord Iveagh (Edward Cecil Homes) of Dublin, and alderman of the Pierre, of Belfast (chairman of the Hartland & Wolf Shipbuilding Company) are prepared to put at least \$2,500,000 into a scheme planned to help the Irish farmers.

JUST A REMINDER

Let You May be Deceived by Dealers Who Offer You Substitutes and Imitations of

Dr. Chase's Syrup Of Linseed And Turpentine.

Cough mixtures are legion. Nearly every dealer has some preparation of his own to offer.

Thorough cures for coughs and colds are rare, and when you find a medicine that you can rely on for such affections, as well as croup, whooping cough, bronchitis and asthma, you do well to stick to it.

Dr. Chase's Syrup of Linseed and Turpentine has by far the largest sale of any such remedy on the market, and as the demand increases by leaps and bounds every year we believe that this is due to its popular merits of this preparation.

You only need to be reminded that it is sometimes necessary to insist on getting what you ask for. Dealers have other preparations of linseed and turpentine put up to look as nearly as possible like Dr. Chase's and because of larger profits may try to induce you to try the imitation.

There is one way to be sure, and that is by seeing the portrait and signature of Dr. Chase on the wrapper.

Do not be contented to take any preparation offered you because it is "only a cold." Colds lead to the most fatal diseases, and you cannot afford to take risks with new and untried treatments.

From childhood to old age, from the time when croup threatens, the baby's life until the aged mother or father are victims of asthma, Dr. Chase's Syrup of Linseed and Turpentine is the most effective treatment obtainable; 25c a bottle, at all dealers, or Edmanson, Bates & Co., Toronto.

THE CANADIAN STEEL AND COAL COMPANY Limited, was organized to mine and manufacture iron and coal coke and steel in Canada, at Atlantic tide water. This raw materials for these manufacturers are:— 1. COAL. 2. IRON. 3. LIMESTONE.

All these materials we have at hand. The Company has acquired by purchase, immense iron deposits on the North Shore of the Gulf of St. Lawrence, about 350 miles from Sydney. The deposits are estimated to contain 20,000,000 tons of ore above sea level, with probably as much more below that line. The iron can be handled for \$1.00 per ton or less. Quantities of this ore have been shipped to Great Britain and United States where it has given great satisfaction, and we can sell large quantities f. o. b. at the properties, netting us a profit of \$2.00 per ton. This ore makes the finest steel.

When in full operation the output is expected to be about as follows: 1. IRON.—200,000 tons iron ore shipped direct from property, showing net profit of \$2.00 per ton, \$400,000 00 total, 200,000 tons fine iron ore shipped in briquettes, showing net profit of \$4.00 per ton, \$800,000 00 total, 100,000 tons steel blooms showing net profit of \$3.00 per ton, total \$300,000 00, \$600,000 00, 2. COAL.—600,000 tons coal, showing net profit, at least, \$1.00 per ton, total \$600,000 00, 3. AIDS.—Government bounties (averaged) added to above per year for 6 years \$1,200,000 00

Total year revenue Net Revenue. \$2,200,000 00

Total net annual profits LESS FIXED CHARGES: 5 per cent interest on bonds \$37,500 00, 7 " " " on preferred stock 70,000 00, Sinking Fund 67,500 00, Incidental 25,000 00, 200,000 00

Net yearly profits Equivalent to yearly dividends of 30 per cent., or 15 per cent, half-yearly on total capitalization. \$20,000,000 00

If the capitalization was increased to this estimate would still show a dividend-earning capacity of 10 per cent, per annum. \$20,000,000 00

The capitalization of the Dominion Coal Co., is earning fully 12 per cent., and is paying 8 per cent, guaranteed dividends on this enormous sum. \$28,000,000 00

The capitalization of the Dominion Iron and Steel Company is on which it is believed 6 per cent dividends will be earned, \$6,000,000 00

The capitalization of the Canadian Steel and Coal Company is only controlling, it is believed, equally valuable properties, and it is reasonable to expect much larger dividends. Within the last few months Dominion Coal shares common rose in market value from \$40 to \$144 per share, and Dominion Iron and Steel Company's shares common rose over \$30 per share in market value. With such low capitalization The Canadian Steel and Coal Co's shares would show tremendous profits; and it is confidently believed they will.
