## THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown

It pays to buy in this Province.

Wilfred Forbes, Pt. Vernon, was in the city yesterday.

Mr. Gammon, contractor of New Glasgow, was a passenger to this city on the Northumberland last evening.

The Misses Cox, Spadina avenue, Winnipeg, entertained delightfully at a tea on Friday afternoon, given in honor of their sister, Mrs. William G. Mulock. Among the guests were Mrs. Prowse, Charlottetown, and Miss Jarvis, St. John.—Winnipeg Ex.

James Mery, who was superannuated from the P. E. I. R., and who removed to Moncton a year ago, returned to this city Saturday evening, accompanied by his wife, and will reside here for the future. Their many friends will be pleased to know of their return.

Shippers in this Province of smelts and eels will find a ready market by writing to John Nagle & Co., 176 Atlantic Avenue, Boston. As the season advances the firm will quickly dispose of large quantities of fish and as they are thoroughly familiar with the trade requirements can place their goods to the best possible advantage which is most satisfactory to their customers. The firm's representative is J. C. Ellis. They also guarantee satisfaction in all their dealings as will be seen by their adv. elsewhere.

The social in the Baptist School-room last night, when the B. Y. P. A. were "at home" to all, proved a most enjoyable affair. After a bright, brief address of welcome by the President G. W. MacPhee, a short but very interesting programme was presented. A piano duet by Misses Yeo and Watson was executed in excellent form. The voices of Miss Hillard Gates and W. B. Duff were heard to excellent advantage in their well chosen vocal selections. Readings by Miss Gillis and Miss Milliken were rendered with taste and enthusiastically applauded. R. Kaye sang in splendid voice an inspiring patriotic song. Some interesting and very amusing contests provided much fun for young and old, and after refreshments had been partaken of the affair broke up with the singing of "Auld Lang Syne."

A very enjoyable social was given in the basement of the First Methodist Church last evening, when the Sunday School officers and teachers entertained about 150 students of Prince of Wales College. John P. Wheat, the Superintendent of the Sunday School presided and a splendid program was rendered. This included two splendid selections by the orchestra, solos by Miss Kathleen Moore, piano solo by Miss K. Stanley, solos by Roland Kaye, trombone solo by A. W. Gaudet, almost all of which were rendered in such a manner as to call for an encore. The program was concluded by a geographical guessing contest which proved most entertaining and amusing. After this the disposal of a generous supply of refreshments took place and then with a lusty college yell and God Save the King the evening which had proved one of rare enjoyment was brought to a close.

The evangelistic services in the Central Christian Church are growing in popularity which was shown by the large congregation who were present last evening. Rev. J. F. Floyd delivered a splendid sermon and the solos by Mrs. J. S. Floyd were an impressive feature of the service.

A quick response to the appeal of the Moral and Social Reform League and the Children's Aid Society for a better enforcement of the act respecting the use by and the sale of tobacco to minors was had last evening when the officers took in charge a young lad who was smoking a cigarette. He was taken before the Stipendiary Magistrate who obtained from the lad a promise to appear before the court this morning at ten.

No doubt about an enamelled bed's hygienic merit, none about its beauty. Nor any about its being worth its price—if it bears the "Ideal" Guarantee on the footboard.

That Guarantee assures you of more than mere surface excellence. It warrants real satisfaction to the buyer. Its snowy enamel will stay white; its parts will not work loose.

Know why "Ideal" Metal Beds are better. Ask for "The Philosophy of Sleep"—worth reading, though it is free. Write for Booklet No. 170.

**A GOOD POSITION**

Can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance to advancement. The National Telegraph Institute operates six official institutions in America, under supervision of R. R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details at Cincinnati, O., Philadelphia, Pa., Memphis, Tenn., Davenport, Ia., Columbia, S. C. or Portland, Ore., 9-21d261r61.
