ISLAND AGOG

(C. P. Cable) The entire population of this island is agog over the coming visit of honeymooning royalty...

Manoel, Duke of Kent, and his charming bride, the former Princess Marina of Greece.

When the cruising Duchess of Richmond calls here with the famous couple aboard, they will be greeted by Governor Sir A. Claude Hollis within a stone's throw of Trinidad's famous Pitch Lake, at dead break Feb. 6.

The government and municipal officials are already preparing tentative plans for an enthusiastic welcome.

Probably the royal pair will be entertained at a garden party at Government House, an official banquet and reception on the duration of their visit.

River just 12 miles downstream from the famous Kaleyter Falls, by a Canadian and American exploration party headed by E. Horne of Montreal.

Oddly enough, on the royal wedding day on which it was discovered, the party said it resembled nothing so much as a huge bridal veil.
