Talks of China.

Boston, May 6th.—Mr. F. J. Harris, who has been in China as agent for a London firm, is at Yung's Hotel. Mr. Harris left Shanghai in March. He was interested in the whereabouts of Kaing, the Chinese reformer who had to flee from China to save his life from the dowager empress.

Kaing endeavored to have reforms introduced, but the empress promptly put a stop to his modern ideas by ordering him beheaded.

Kaing promptly left Perkin on a British steamer for Hong Kong. The empress sent a torpedo boat destroyer, the fastest in the service with orders to capture the reformer. Kaing, however, escaped, getting on board a British steamer at Shanghai just two hours before the torpedo boat arrived.

Mr. Harris said that there was not a great deal of interest over the Spanish war, owing to the lack of news, but every one was glad to see the Americans end the fight so quickly.

Business in that country is on the increase, and it is especially so in the case of American manufacturers, who had increased sales of over 20 per cent last year.

All by Accident.

"Do you think it proper," said the man who was trying to keep his temper "to laugh at a man who slips on a banana peel by accident?"

"Well," replied the spectator apologetically, "I laughed by accident too. I didn't think of such a thing until I saw you."

"An optimist," said the Hariemite, "is a man who believes in rapid transit. A pessimist is a man who used to."

Many of the vegetables we daily use on our dinner tables were in use in Bible times. It is known, for instance, that asparagus was grown 200 years before the birth of Christ, while lettuce was cultivated so far back as 550.

Married a Chinaman.

SIDNEY, May 6.—Rev. Dr. McKay, of Woodstock, Ont., has received a letter announcing the marriage of Miss Bella, second daughter of Rev. G. L. McKay, a missionary of the Presbyterian Church of Canada in Formosa, to a wealthy young Chinaman, Koa Kaw, who accompanied Mr. McKay on his last trip to Canada. The wife of the missionary is also a native.

A SIMPLE SOLUTION.

Why Dodd's Kidney Pills Always Cure Kidney Diseases.

What a Prince Edward Island Doctor Says on the Subject—Dodd's Kidney Pills are the only Cure for all Kidney Complaints.

GASPEREAUX, P. E. I., May 7th.—The startling story that comes from Murray Harbor South, concerning the rescue of Mr. William Sharam, of that town, from the deadly clutches of Kidney Disease, has set the people throughout the Island talking. Many other persons have been cured of Kidney Disease, on this Island, by Doan's Kidney Pills, but Mr Sharam is so well-known that his case excites more than ordinary interest.

One of our cleverest and most successful physicians was asked to-day, how he accounted for the enormous number of Kidney Disease cases that have been cured by Dodd's Kidney Pills.

"It can be accounted for in only one way," he answered, "Dodd's Kidney Pills possess the power of curing disordered Kidneys. No other preparation known to man possesses this power."

"Bright's Disease, Diabetes, Dropsy, Gout, Stone in the Bladder, Gravel, Lumbago, Rheumatism, Heart Failure, Paralysis, Nephritis, Diseases of Women, etc, all spring from disordered Kidneys. These Diseases are all marked by the retention in the blood of certain dead matter, that healthy Kidneys extract from the blood, and throw out of the body."

"Now Dodd's Kidney Pills restore the Kidneys to health. Then the blood is properly purified, all poison being drained out of it, and thrown out of the system. There can then be none of the diseases named. It is very simple you see."

"Dodd's Kidney Pills are undoubtedly the only medicine that can cure these diseases. They never fail to cure them—they cannot fail."

Dodd's Kidney Pills are sold by all druggists, at fifty cents a box, six boxes \$2.50, or sent, on receipt of price, by The Dodds Medicine Co., Limited Toronto, Ont.
