ABOUT THAT COAT

You wear a coat. Why? To keep the cold out? No; to keep the warmth in. What of the body that has no warmth—the thin, poor body that lacks the healthy flesh and fat it needs?

For such we say that Scott's Emulsion provides the right kind of a coat. Why? Because Scott's Emulsion builds firm, solid flesh and supplies just enough fat to fill nature's requirements—no more. That means bodily warmth.

We'll send you a sample free upon request.

BAY FORTUNE PRESBYTERIANS.

Reopen Their Renovated Church Edifice There.

Appropriate Devotional Services—A Handsome Collection Leaves The Building Free of Debt.

Sunday Oct. 4th, 1903, was a day to be remembered by the Presbyterians of Bay Fortune. That was the day chosen for the reopening of their renovated sanctuary. For months carpenters, masons, painters, and plumbers have been busy thoroughly repairing the church. Guided and inspired by the presence of their devoted minister, Rev. F. C. Simpson, the work has been beautifully and artistically done. The Church occupies a commanding position and is a model architecturally. The new paint—French Gray with white trimmings, gives the church a very attractive appearance. Indeed one would travel far before finding a prettier, or more charming country church. The inside too has been completely changed. The old ceiling and cornices of plaster gives place to nice ones of wood, the ceiling being worked in squares and both finished in the clear. The walls have been treated with bright shades of paint and paper giving the interior a very handsome appearance.

A fine new McClary furnace replaces the old stoves.

The day chosen for the re-opening proved to be an ideal autumn day, and large congregations gathered to the services which were held in the morning and afternoon. The pastor was ably assisted in the services by the Rev J A MacGlashen of Bridgeport, Cape Breton, who preached two eloquent and appropiate sermons to which the large congregations listened with interest and delight. Added interest was given to the afternoon service by the singing of a solo which was beautifully rendered by Miss Maysie Duff, Mrs Simpson the wife of the pastor presided at the organ.

The platform was beautifully decorated with plants and flowers supplied by the ladies of the congregation.

The cost of the improvements will be about $650.00. The congregation had $250 00 in funds when the work began. The pastor asked his people to place on the plates that day the sum of $400.00 at least, so that the church might be opened free from debt; and to the intense satisfaction of both pastor and people, when the collection was counted, it was found to exceed the amount asked for by $43 00 the total being $442.00. At the close of the afternoon service the pastor intimated this pleasing result and expressed his appreciation of their hearty and generous response to his appeal. The congregation then rose and gave expression to its feelings by singing the Doxology "Praise God from whom all blessing flow;" after which the unusually interesting services were closed with the Benediction.

CURZON IS SUGGESTED.

NEW YORK, Oct. 4.—The New York Sun's London cable suggests Lord Curzon as successor to the late Sir Michael Herbert as British Ambassador at Washington.

A REMARKABLE RECORD.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by all druists.

Is Your Back Lame?

You are Doubtless Suffering From Diseased Kidneys—Surest Cure is

FERROZONE

Unless you want to be stricken with incurable Bright's Disease, don't let your kidneys go without attention. Ferrozone is a special remedy for this trouble, and never fails to give prompt relief and bring about a perfect cure.

Mr. Gorden J. Macfarlane of Bradford was cured by Ferrozone, after being treated unsuccessfully by three doctors for kidney complaint. 'My kidneys were in a very bad shape,' he writes 'and I had dreadful pains in the back and sides, and was never free from a dull, heavy feeling, that made life miserable. I spent a lot of money on local doctors, but was not benefited to any extent. Then I tried Ferrozone. One box helped me so much that I got six more, and before they were used I was quite well. I never used anything giving such prompt and lasting relief as Ferrozone. It beats all other kidney cures.'

People suffering from kidney disorders quickly lose strength, and often die young. Therefore it is important to get Ferrozone at once, and be released from every symptom of this painful disease. Price 50c, a box, or six boxes for $2 50, at all druggists or by mail from The Ferrozone Company, Kingston, Ont.

Very heavy frost last Saturday night blighted the tomato vines—but on account of the vines being very heavy, the fruit was not injured to any extent. As the crop is a failure with most every one, the demand for what we have has been very brisk and they are leaving us at the rate of 40 barrels a week, and now have comparatively speaking, only a few barrels left. The cucumber vines are totally destroyed, but we have procured some very nice small plum tomatoes, these with small onions make very fine pickles. We are expecting 20 barrels of onions Friday, we regret very much that we were unable to fill orders for onions on Tuesday market. We have never refused an order for them before. We also have to arrive 50 barrels more next week. Our Market Stalls are open every day. Customers from the country as well as from town will please bear this in mind. Saturday night sale still continues.—J. J. Gay & Son. 8d 9i w 1i Pat &Ex.
