Easter Holiday Record

(Canadian Press) LONDON, April 11.—The Easter holiday habit seems to be growing upon the people of England. Yesterday's exodus by railway declared a record. Boats and trains for the continent were crowded, one train from Charing Cross had five sections.

Youthful Appearance

AN ASSET TO EVERY WOMAN

Gray Hairs a Source of Discontent

Every woman wishes to look young always. Gray hairs mean the passing of youth's charm. They are the source of many a headache to many and many a woman. But they need not be. Hay's Hair Health restores gray hair to its natural color. It is not a dye.

By its tonic qualities, by promoting a new vigorous, healthy growth of the hair, by removing dandruff, by furnishing to the scalp and the hair-roots a new life it brings back the real color and lustre of the hair.

If after a fair trial according to directions, it fails to do this we will refund your money.

Potted lilies, large in size and beautiful in appearance, form a general decorative scheme that is exquisite.
