BIRTH ON THE BORDEN TRAIN
A woman accompanied by her hus-
band and mother, travelling from
Amherst to Charlottetown yester-
day, when she gave birth to a still-
born child, five miles east of Bor-
den. She had been in delicate health
for some time and was carried on
board the baggage car on a stretcher,
and evidently the train and her
journey was too much for her.
Fortunately there was a nurse, Miss
Richards of the Royal Victoria Hos-
pital, Montreal, and at the request
of Conductor McDonald she attend-
ed the sick woman. A telegram
message was sent to Dr. Rogerson,
Hunter River, who visited the pa-
tient and reported that she was do-
ing nicely and was able to continue
her journey to Charlottetown.

SHOULD BE HEALTHY
AND HAPPY!**
Vancouver, B. C.—"Motherhood left
me so weak I could scarcely get around,
and was too nervous to sleep. I had
headaches and backaches all the time
and distressing pains in my side—my
health was entirely gone. I doctored
but got no relief. I spoke of until I
began taking Dr. Pierce's Favorite Pres-
cription, and before I had taken all
of one bottle I was much improved, and
in time I was completely restored to
health. Have had two fine, healthy
children since. Had it not been for Dr.
Pierce's Favorite Prescription I don't
know what would have done."—Mrs.
Mary Gray, 783 Homer Street.

What Doctor Pierce's Favorite Pres-
cription has done for other mothers, it
will do for you. Get it this very day
from your neighborhood drugist, in
either liquid or tablet form, and write

"La Duchesse de Langeais." Directed by Frank Lloyd

To sear the heart of a faithful wife:

"You boasting of his manliness! He
prating of your purity! A pretty plot
to fool me."

And because a husband who had wagered
on the faith of his wife flung a taunt at her
—faithful wife became court-beauty, laugh-
ing at love until new love won a stress-call
from her heart.

"Brand me! Burn your mark
upon my forehead that the world
may know I am yours... for-
ever. A weal of pain the symbol
of my love!"

A Masterpiece. A Brilliant Ro-
mance of France's Gayest

ular Sweep. Mighty in Dramatic
Sway.
