ALL NEWS OF LOCAL INTEREST

THERE will be no lesson on Saturday for P. W. College students.

PROFESSOR Watts' engagements are cancelled until Wednesday, March 4th.

Those attending the Paardeburg dinner are asked to be in their places by half past eight o'clock to-night.

THE Kindergarten will be closed today and on Monday on account of the death of Mrs. (Professor) W. Harry Watts.

NEXT Wednesday night don't miss the great game. Abbies and Vics in the final fight for the trophy. Admission 20 cents. Seats 25 cents.

ROYAL ARCANUM.—Regular monthly meeting of Prince Edward Council to-night at 8 o'clock in Pythian Castle Hall. A full attendance requested.

THE funeral took place yesterday at Victoria on account of the death of Charles Wright of that place. The deceased has been in ill health for some time.

THE ages of five of the residents of Little York aggregate 419 years, viz.: Mrs. Capt. Holman, 88; Peter Froid, 85; Mrs. David Brown, 82; Donald Crockett, 82; David Lawson 82.

THE Highland Brigade of St. James Church held a very enjoyable social in the Hall last night. There was a large attendance and the evening was most pleasant to all who were present.

ON the evening of March the 5th a large crowd will be seen wending their way toward Zion Church, lecture room. The attraction will be a first-class concert. Be sure to secure a ticket in time.

C. C. GARDNER has kindly consented to repeat his lecture on his Travels in the East in basement of the Cathedral on March 10 in aid of the Charlottetown Hospital. The popularity of the last lecture will insure a full house.

AT the congregational meeting of Zion Church last night the question of erecting a Sunday School building was discussed and a committee consisting of Hon D Farquharson and J T McKenzie were appointed to further inquire into the matter.

THE rink was largely attended last night by skaters who enjoyed a delightful skate and promenaders who listened with pleasure to the music of Worth's band. Special mention was made by a number of the clarinet playing which was excellent.

Mrs. FREDERICKSON, of Lower Malpeque Road, who was badly burned about the limbs and hand on Wednesday by the ignition of her clothes while lighting a fire with kerosene is much improved yesterday and will likely recover.

HEARTS THAT ARE DISEASED.

Will never be cured by the false, un-natural stimulation of liquor. First increase your vitality, build up the system, strengthen and purify the blood—then the heart will respond and grow strong. Ferruzone is precisely what to take, it gives you an appetite and a digestion that will look after everything that is eaten. Ferruzone improves nutrition, makes rich, vitalizing blood, and is positively the most powerful restorative and strengthener known to science; it improves the nerve tone, regulates the heart's action, makes the feeble strong and the sick, well. Ferruzone will do you untold good and costs only 50c. at druggists, or Polson & Co., Kingston, Ont.

DR. HAMILTON'S PILLS STIMULATE THE LIVER

THE meeting of the Retail Merchants Association was postponed till next Wednesday night. In the meantime those present last night will wait upon the other members in order to secure a large attendance from each branch of the Association.

ZION Church choir have kindly consented to conduct the singing and give a selection next Sunday afternoon at Y. M. C. A. Hall. The service of song will commence at 3.45 p m after which the Rev. Mr. Miner will speak upon intemperance. The meeting will be open for both men and women.

A CORRESPONDENT writes: In my opinion the pitches along St. Peter's Road between Five Mile House and the city should be photographed and a copy sent to Hon. J. H. Cummins, C. P. W., so that he might know what some of the taxpayers have to put up with. These pitches are worse than they have been for twenty years and it is with the greatest difficulty that loaded teams can reach the city. Money for increased salaries but none for public convenience.

THE officers for the ensuing year of Birch Hill Prince Co. Division are:—
D. W. P.—Sister Sadie Lyle.
D. W. A.—Bro. Gordon Forbes.
D. S. Y. P. W.—Sister Fanny Brown.
D. R. S.—Sister M. Stewart.
A. D. R. S.—Sister Ida McArthur.
D. Treas.—Bro. A. McArthur.
D. Chap.—Bro. H. McKendrick.
D. Concl.—Bro. L. Linkletter.
D. A. Con.—Sister Sadie Ramsay.
D. Sent.—Bro. A. Ellis.

REV. GEO. A. SELLAR, Elliott's, in writing of the Black Knight's services at Hunter River says that the Black Knight excelled himself. He did credit to himself and all his race. The hall was literally packed, the audience as to numbers being without a parallel in that section. For an hour and a half Hector had the closest attention as he so vividly and with outbursts of eloquence portrayed the terrible experiences of the battlefields. At times in fact, he perfectly thrilled us, and all through he was bubbling over with wit and humor.

THE funeral of the late James Dellar took place yesterday afternoon from his late residence Grafton Street East to Milton Cemetery. The Masons attended in a body walking to the outskirts of the City. A deputation accompanied the remains to Milton where interment was made with Masonic honors. The services were conducted at the house by Rev J L Miner and at Milton by Rev T B Raagh. The pall bearers were H Worth, John Collings Sr, Fred Rowe, J G Jamieson, W P Doull, and F H Beer.

THE funeral of the late Mrs. W. A. Stewart took place yesterday forenoon from her late home to the Railway Station and thence to Hunter River by special train—whence interment was made at Cavendish. The very large concourse of citizens that followed the remains to the station showed the heartfelt sympathy that is felt for the bereaved husband. The funeral services were conducted by Revs. T. F. Fullerton and D. B. McLeod. The pall bearers were George Moore, Charles Drew, Charles Perkins, John P. Gordon, William Martin and Howard Hilsion. At Cavendish the Presbyterian Church was filled by those from the surrounding districts, while an impressive service was conducted by Revs. M. H. McIntosh, T. F. Fullerton and D. B. McLeod. The remains were laid away in the cemetery there in the presence of those with whom the deceased had spent her early life.

THE Rev E. S. Walker, of Sault Ste. Marie, Ont., says of Oxygenator: "After about three years' experience in the use of Oxygenator in our family, also others whom we have induced to use it, we now feel convinced of its excellent qualities as a family medicine. We have found it especially useful in the typhoid fever and la grippe seasons, using it both externally, and internally. We are not satisfied to be without it in our home to meet the emergencies incident to our family health, because we know from experience its worth. We wish for it a large and increasing sale."
—E. S. Walker. Price 50c. and \$1.00 a bottle sold by MacDonald & MacKinnon, Druggists Corner Geo. and Kent Streets.

DR. Clift, late of P. E. I. and Nova Scotia, has been called to Charlottetown. Address inquiries, P. O. Box 276. Nov. 13 d & w 3 m

A new division has been added in the agricultural department Ottawa, for the extension of markets. This will come under the supervision of W. W. Moore formerly of this city, who went through Canada with the Boer visitors and who made a successful trip to South Africa in connection with Canadian trade. His duty will be to look after the development of markets for Canadian products and manufactured goods.

SELDOM in the history of the city has such wide-spread and heart-felt sorrow been felt as during the present week when within a few days of each other two beloved and much respected young married ladies were suddenly called away by death. The death of Mrs. W. A. Stewart was recorded in The Guardian of Tuesday and while her funeral was being conducted yesterday morning Mrs. Watts, wife of Prof. Harry Watts was called away forever from life's activities. She had been taken suddenly ill while attending choir practice in the First Methodist Church, and with the hope that her illness was but temporary she was removed to the parsonage, close at hand. Dr. McLaughlan was called and administered an opiate, and later Dr. Shaw was called in. For a time the patient rested quietly but about 2 o'clock in the morning the doctors were again summoned. At ten o'clock a distinct change for the worse occurred and medical aid was again called in but all in vain. Death is believed to have resulted from hemorrhage of the brain. By this sad event a happy home is left inconsolable. Prof. Watts and three little ones aged ten, seven and four years are left to mourn a loss that is indeed irreparable. Other near relatives are a sister, Miss Temple, who was living in the city with Mr. and Mrs. Watts, Rev. Dr. Temple, ex-President of the Nova Scotia Conference, and Mrs. Temple, father and mother of the deceased and Herbert Temple of Montreal, a brother. Professor Watts and Mrs. Watts came to this city from Moncton about four years ago since which time he has been choir-leader and organist of the First Methodist Church and the deceased lady was a leading member of the choir, and a participant in all leading musical events. The deceased lady was very dear to all the members of the church and to a wide circle of acquaintances who feel a deep sense of personal loss and the most unfeigned sympathy for all the members of the bereaved family.

THE welcome news that the Minto had reached Georgetown yesterday morning was received with pleasure by hundreds of business men and others throughout the Province. She reached there at eight o'clock having left the vicinity of the Stanley at two yesterday afternoon and remained off Cape Bear all night. On Tuesday she had begun the work of reaching the Stanley by manual labor. The ship's hands cut her out sufficiently to allow her to turn. The ice was so heavy that one hundred yards away all that could be seen of the Minto was her smoke and spars and with an 18 ft pole no bottom could be reached. After hard ramming stern foremost the Minto got with 3/4 of a mile from the Stanley and left 45 tons of coal on the pan. From that point it will be easy to convey the coal to the ship as the ice is comparatively level. The Minto has one of the four blades of her propeller broken, which will handicap her considerably as it cannot be replaced without going on the slip of Pictou. She leaves again on Saturday morning with 100 tons of coal and no freight or passengers. She will go round the ice field seeking the weakest part in which to reach the Stanley which is apparently uninjured. It is impossible to reach Pictou at present as the ice is solid from the wharf to Pictou Island. Captain Finlayson who was in town yesterday in conference with Messrs Farquharson, Lord, and Brecken says a heavy southerly gale with thaw followed by a westerly wind is needed to clear the harbor. The Stanley is situated about six miles from land with moving ice between her and the Nova Scotian Shore. Twenty two men were on board the Stanley with plenty of provision but only 30 tons of coal. The furnace fires were kept banked and 1 1/2 to 2 tons of coal were burned daily. The ice field consists of about 300 acres but the field is surrounded on all sides by packed ice and unless the Minto reaches her it is not likely she can be freed before spring. Captain Brown was on board the Minto consulting with Capt. Finlayson. "He looked careworn after his experience," said the latter, "but is hopeful and has done all he could do to free his ship."

THE Executive Council was in session until a late hour last night. The question of Manual Training in P W College was considered and it was decided to continue it as at present. No date has yet been fixed for the meeting of the Provincial Legislature. The Executive will meet again shortly.

IT is understood that if action is not taken at once the Fire Underwriters will make the increase of the second 25% in the insurance rates. The matter of the second main pipe line, the fire alarm system and the electrical inspector will be taken up at the next meeting of the City Council, Monday week.

A PLEASING event had taken place at the residence of Rev John Goodwill, Brighton, Wednesday afternoon, Feb 25th when Neil Shaw, of De Sable, Lot 29, and Maggie, third daughter of the late Malcolm McPhail, of Argyle Shore were united in marriage. The bride was attended by her niece, Miss Mary McNeill, while the groom was supported by Fraser McDonald, of Hampton.

Matilda Stewart, for fifty years a resident of the Eastern District, died at her home, 8 Stanhope street, yesterday, after a short illness of paralysis. Mrs. Stewart was taken ill last Wednesday and on Thursday she received the stroke of paralysis. The deceased was very active in church work during the time the Rev. S. M. Haskins was the rector of St. Mark's Episcopal Church, on Bedford avenue. She continued as a communicant of the church, after the Rev. John D. Kennedy succeeded Dr. Haskins. She was a communicant for 35 years. Mrs. Stewart was a charitable woman and contributed frequently to relieve the suffering of the poor. She was born in New York City, March 22, 1830. Her parents moved to Brooklyn when she was quite young and to keep up their residence in Ten Eyck street, where they lived for 53 years. For the last fourteen years Mrs. Stewart lived at the Stanhope street address. She leaves two children, Mrs. Mary Wild and Daniel Stewart; four grandchildren and two great-grandchildren. Mrs. Stewart was the widow of the late Daniel Stewart, an old resident of the Eastern District. Services will be held over her remains on Wednesday night at her late residence and will be conducted by the Rev. John D. Kennedy, pastor of St. Mark's Episcopal Church on the Eastern Parkway. The funeral will take place Thursday morning and the interment will be in Cypress Hills Cemetery.—New York exchange.—Mr. Stewart, husband of the deceased, was a native of Lot 48, and an uncle of John Collings Sr. of this city.

Good Toilet Soaps

We have recently imported a large line of Toilet Soaps—have marked them low—and put them in our window for your inspection.
