Has sad recollections of "what might have been" in the past had he only been able to rely on a really reliable remedy to check the fatal bowel disorders so prevalent among the most promising youngsters in the pens.

DR. FRENCH'S ENTERIC GLOBULES

Now afford a positive means of preventing unnecessary losses. They are a combination of active intestinal antiseptics and astringents which effectually disinfect the entire intestinal canal so that microbes can no longer exist, and at the same time they allay the inflammatory processes that have been started.

A New Blood-Food Has Been Discovered That Works Wonders

SAID TO PUT NEW LIFE INTO PEOPLE THAT ARE RUN DOWN.

For years doctors have been searching for a combination that would enable them to inject into thin blood the elements it lacked. This can now be done and any weak-blooded person can quickly be made strong and well. Already a small army of ailing people having proved the merit of taking after each meal with a sip or two of water, two chocolate-coated Ferrozone Tablets. This is easily done and even one week's use of this wonderful blood-food will prove how nourishing and strengthening and flesh-building the treatment is.

Just think of it—Ferrozone uplifts the entire nervous system, removes the blood, makes it rich and red—gives the sort of aid that's needed in throwing off weakness and languor.

Tens of thousands enjoy the advantages of renewed health through Ferrozone:—if you'll only use it, you'll surely grow strong too; its beneficial action is noticed even in a week. You see it goes right to work, removes the cause of the trouble and then quickly makes a cure.

For those who sleep poorly and have nervous apprehensions, Ferrozone is a boon; it is a specialist in such cases.

Where there is paleness, poor appetite and languor, Ferrozone makes the patient feel like new in a few days. In tiredness, nerve exhaustion, spring fever and debility, the power of Ferrozone is known from coast to coast and universally used with great results.

Let Ferrozone build you up, let it win you back to robust health.—it will do so quickly if you give it the chance. Sold by all dealers 50c per box or six boxes for \$2.50. Remember the name Ferrozone.

PORK.—Local dealers yesterday were paying from 17 to 17½ cents per pound for select hogs. There was only a small offering.
