HOUSEHOLD HINTS

Every time you take off your fur or your fur coat, shake well and smooth with your hand.

Use an oiled feather for cleaning a lock.

Silver soaked in the water in which potatoes have been boiled cleans in half the time.

Damp salt rubbed on silver removes salt stains.

If you wash silver in a solution of boiling water and borax, you can often avoid cleaning it.

On the next windy day, hang your furs outside for a good blow.

Wet furs should be shaken hard and the surface wiped with a clean dry cloth. Never dry them in front of a fire.

If your furs have been subjected to smoke or fog, shake well and wipe with a sponge wrung out of cold water, stroking the way of the fur.

Currencies

NEW YORK, April 15—(CP)—The Canadian dollar recovered 1-8 of a cent in today's foreign exchange dealings to close at a discount of 12 7-8 per cent in terms of United States currency. (Ottawa Foreign Exchange Control Board rate 9.09—9.91 per cent discount.)

All other leading foreign currencies including the pound Sterling at $4.04 finished unchanged.

Toronto Exchange

TORONTO, April 19—(CP)—Industrial stocks tightened up this afternoon on the Toronto exchange to show an index gain of 47 at the close. Other groups showed little net change for the day. The golds closed .12 down, the base metals .05 down and the western oils .01 up. Volume was the smallest for a full session in two weeks at 109,000 shares.

Only the utilities leaned to the down side. Bell Telephone weakened 1 1-4 to 142 and smaller losses came through for the Gatineau issues, Brazilian and Steamships pfd.

Lake Shore hit a new low, off 10 cents to 6.90, Sigma was down 15 cents to 4.60, Bralorne 10 cents to 7.30 and net losses of 4 to 5 cents were showing finally for Chesterville, Perron and Teck Hughes. Preston came up 7 cents to 1.82, Macassa added 8 cents and the close was up a few cents for Pioneer, San Antonio and Wendigo.

Small fractions were dropped by Noranda and Hudson Bay and Smelters firmed 1-4 to 38. The cheaper base metals also posted minor changes. Steep Rock closed 2 cents down at 1.51, Sherritt a cent down and Ontario Nickel at 10 7-8 was up 1-8 at the close.

Western oils were dull. Calgary and Edmonton was down a few cents for broken lots. Home Oil gained 2 to 2.43, and British-Dominion firmed 1-2 to 25 1-2.

Montreal Exchange

MONTREAL, April 15—(CP)—On average most issues moving on the stock exchange and curb market today were marked down but many securities held firmly at overnight levels and put up a barrier to continuation of Tuesday's easier trend.

Metals were a softer spot, International Nickel and Hudson Bay Mining touching new low prices, though Consolidated Smelters was a bit harder.

Montreal Power and Winnipeg Electric "A" posted rises in utilities but down were Bell Telephone, Power Corporation and International Power preferred. C.P.R. retrieved an opening slip in carriers.

Laggards in industrials were Dosco "B," Cockshutt Plow, Dominion Bridge, Gypsum and St Lawrence preferred. Price Brothers was on the firmer side.

Celanese preferred was stronger in miscellaneous and Imperial Tobacco preferred and Lang edged downward.

Total sales: 16,500 shares; Industrials, 10,600; Mines, 5,900.

Finance

NEW YORK, April 15—(AP)—The downward movement in the stock market was stemmed today in a reversal of Tuesday's culminating decline.

Many key issues managed to show modest improvement, though steady appeared the most accurate description of the list as a whole. Turnover dropped to 347,630 shares, compared with 556,630 in the previous session, which was the largest since early March.

Canadian stocks showed mostly fractional strength. Dome Mines and International Nickel common shares gained 1-2 point and Ford, of Canada "A", Lake Shore Mines, Canadian Pacific 1-8 each. International Nickel pfd jumped 1 3-4 points to 128 3-4 and Distillers Seagram pfd was 7-8 point higher but Distillers pfd shares eased 1-8. Unchanged was Walkers pfd.

Leader such as U.S. Steel, Bethlehem, General Motors, Goodrich, Sears Roebuck, Deere, Douglas, Boeing, American Can, International Nickel, Dow Chemical, Du-Pont and Santa Fe added fractions to a point or more, even while a few backsliders lost similar amounts, including Allied Chemical, Pennsylvania, Eastman Kodak, J.C. Penney and General Electric.

The Associated Press average of 60 stocks held even at 33.4, with a few wide dips offsetting many small gains. For the list as a unit, declines slightly outnumbered plus signs.

With much of the financial district's attention focused on the annual meeting of the American Telephone & Telegraph Co., where President Walter S. Gifford was not overly encouraging on continuations of the common dividend at the $9 annual rate in effect for two decades, the company's shares ended 1-2 point up, after having been a point higher for a time.
