The Stimulus of Pure Blood

That is what is required by every organ of the body, for the proper performance of its functions. It prevents biliousness, dyspepsia, constipation, kidney complaint, rheumatism, catarrh, nervousness, weakness, faintness, pimples, blotches, and all cutaneous eruptions.

It perfects all the vital processes. William Ross, Sarnia, Ont., took Hood's Sarsaparilla to make his blood pure. He writes that he was all run down, his appetite was gone, and his nerves were so unstrung he could not rest nor sleep. He had tried many remedies without benefit when Hood's Sarsaparilla was recommended and he began its use. Three bottles of this medicine entirely cured him.

Hood's Sarsaparilla
 Promises to cure and keeps the promise. Accept no substitute, but get Hood's today.

AN exchange in referring to the football match between Acadia Football team and the Mount Alliston team says that "the ball went to Mt. Alliston's 10 yard line where it remained until dribbled by D. Nicholson, followed up Keady and at last carried over Mt. Alliston's goal line and a touchdown made by Steele. This spurt was the most noticeable scientific play of the whole game. [The Mr. Nicholson above referred to is a son of Mr. D. Nicholson of this city.]

Rich and Poor Alike Suffer From Catarrh in this Climate.

All observant physicians have noticed the enormous increase in catarrhal diseases in recent years, and the most liberal and enlightened have cheerfully given their approval to the new internal remedy

Stuart's Catarrh Tablets, as the most successful and by far the safest remedy for catarrh yet produced.

One well known catarrh specialist, as soon as he had made a thorough test of this preparation discarded inhalers, washes and sprays and now depends entirely upon Stuart's Catarrh Tablets in treating catarrh, whether in the head, throat or stomach.

Dr. Risdell says, "in patients who had lost the sense of smell entirely and even where the hearing has begun to be affected from catarrh, I have had fine results after only a few weeks use of Stuart's Catarrh Tablets. I can only explain their action on the theory that the cleansing and antiseptic properties of the tablets destroy the catarrhal germs wherever found, because I have found the tablets equally valuable in catarrh of the throat and stomach as in nasal catarrh."

Dr. Estabrook says, Stuart's Catarrh Tablets are especially useful in nasal catarrh and catarrh of the throat, clearing the membranes of mucous and speedily overcoming the hawking, coughing and expectorating.

Any sufferer from catarrh will find Stuart's Catarrh Tablets will give immediate relief, and being in tablet form and pleasant to the taste, are convenient and always ready for use, as they can be carried in the pocket and used at any time as the contain no poisonous drugs, but only the cleansing antiseptic properties of Eucalyptus bark, Guaiacal, blood root and Hydrastin.

All druggists sell the tablets at 50 cents complete treatment.
