Saved from her Ancestors.

Is Consumption hereditary? Well, even so, hereditary Consumption no longer means, of necessity, an early death—No! nor even a life of sickness and weakness, although it does mean a life of constant care, to prevent the ever ready disease from attacking the predisposed lung tissue and getting its grip upon the structure of the lungs. By keeping the general health good, with proper dressing, proper food, sufficient sleep and the use of Shiloh's Consumption Cure it is quite possible to prevent the hereditary foe from regaining its ancestral foothold and to enable the "heir to Consumption" to live a long, healthy and active life. This has been proven over and over again. Post Mortem examinations have shown that the cause of death to such people has been by disease entirely foreign to any affection of the lungs. For more than half a century **Shiloh's Consumption Cure** has been peculiarly successful. It frees the system of Consumption germs, tones it, gives strength and vigor and builds up the flesh. It is an infallible remedy, guaranteed not to fail:—if, after using two thirds of the contents of a bottle the purchaser is dissatisfied with the results, the purchase money will be returned in full upon taking the remaining one third to the druggist from whom it was bought. There is no risk, financial or otherwise, in trying Shiloh's great cure. The following testimony from Miss Harriet Tempest, of Detroit, Mich., is encouraging and convincing:

S. C. WELLS CO., Toronto—For these last 25 or 30 years of life, I am indebted to Shiloh's Consumption Cure. Our family has always, so far as I can learn, been afflicted with the "scourge of Consumption." My Ancestors have all died young. An uncle and his family and myself have so far escaped. I, from using "Shiloh, and he, because he went when quite young to live in South Africa, the climate of which country seems to have saved him. Of course I have always taken care of my general health, avoiding colds, etc., as much as possible and have steadily used your Consumption Cure, and here I am, close upon fifty years of age and as strong and healthy as most people and as likely to reach old age. I am very enthusiastic about Shiloh's Consumption Cure, can you wonder at it? Sold in Canada and the United States, 25c, 50c and $1.00, in England at 1s. 2d., 2s. 3d. and 4s. 3d.

Used it continuously

I take pleasure in stating that I have been using Dearborn's Perfect Baking Powder continuously since it was first placed on the market. I have every confidence in it and consider it a superior article.

Ladysmith Relieved.

(Composed by a lad of thirteen years.)

"Relieved, relieved"—we hear the cry
On every street the words they shout:
Buller has done the trick at last,
He turns no more to right-about.

The late beseiged look to the sky,
And thank the Lord for their relief;
The famished soldiers eat their fill,
And shout the name of their brave chief.

And now it is a town of peace,
And comforts are fast coming in;
The Boers no longer throw their shells.
Nor fill the town with noisy din.

The tide of war has turned at last,
The siege of Ladysmith is o'er,
The British conquers hereabout,
And from Natal drive out the Boer.

Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is

WILD WITH ECZEMA

One of Pittsburg's Most Estimable Business Men Certifies to the Wonderful Efficacy of Cuticura.

I was a sufferer for eight years from that most distressing of all diseases Eczema. I tried some of the best physicians in the country, but they did little good. The palms of my hands were covered, and would become inflamed; little white blisters at first would appear, then they would peel off, leaving a red, smooth surface which would burn like fire, and itch; well, there is no name for it. On the inside of the upper part of both my limbs, great red blotches, like hives, would appear, and as soon as I would get warm, the burning and itching would begin. Night after night I would lie awake all night and scratch and almost go wild. I got a box of CUTICURA Ointment, a bottle of CUTICURA RESOLVENT, and gave them a thorough trial, and after a few applications I noticed the redness and inflammation disappear; before I had used one box there was not a sign of Eczema left. I can truthfully say that $2.00 worth of CUTICURA REMEDIES cured me.
