RESENTMENT IN NEWFOUNDLAND

Over the Modus Vivendi Arranged between Britain and the United States as to the Herring Fisheries—This Agreement is Contrary to Newfoundland Law.

St. John's, Nfld., Oct. 8.—Popular anger against the modus vivendi arranged by the United States and British governments relating to the Newfoundland herring fishery is growing. There is a general feeling that the compromise arrived at was a backdown on the part of the British ministry.

Archbishop Howley, the Roman Catholic primate, speaking yesterday at a parochial festival declared the modus vivendi a shameful betrayal of the colony's interests, and advocated agitation throughout the colony against it. He urged an immediate calling of the legislature, spirited protest to the throne, the despatch of delegates to England and to Canada, and an appeal to all autonomous British colonies to join in restricting what he termed an unbridled invasion of colonial rights.

Attorney General Morris speaking at the same function, stated that the colonial government was unaware of the terms of the modus vivendi, but it had done everything within its power to protect the colony.

Today, the Telegram, the premier's organ, ascribed the modus vivendi to the craven policy of the Downing street.

Not Sick but Tired and Weak.

You do not like to think that you are sick, but you lack the snap and vigor of other times. Not only are you weak bodily but the vital organs are also slow and uncertain in action. The heart is weak, digestion is imperfect, the liver is torpid, the bowels sluggish, and the system run down in a general way.

What you need to start you on the way to health is a restorative, such as Dr. Chase's Nerve Food, to form new, rich blood, and instill new vigor into the whole body.

It is marvellous what this great food cure will do for a run-down human system, and what it does is not in the way of temporary assistance, but rather of certain and lasting benefit—because it actually builds up the system.

Note your increase in weight while using Dr. Chase's Nerve Food, 50 cents, 6 boxes for \$2.50, at all dealers, or Elmanson, Bates & Co., Toronto.

asserted, would not coerce any of her colonies to remain under the British flag if they were determined to withdraw, but at the same time desired to keep all the colonies and to keep them on terms of equality with their neighbors. The whole course of Great Britain in this matter is commended by the American authorities, as being fair and reasonable, but all negotiations have been hampered by the Newfoundland government.

Piles

Cured Quickly and Painlessly—No Risk, No Danger

A Free Trial Package to Convince Sent by Mail to All Who Write.

Common sense is just as necessary (even more so) in medicine as in business or the affairs of every day life. People are getting to know more than they used to. Not so long ago it was the custom to make all sorts of claims for a medicine, and wind up by asking the reader to go to a drug store and buy a bottle. People won't stand for that kind of thing now. They want proof—tangible proof. They want to try the remedy first and if they find it to be what is claimed they will be glad enough to go and buy it.

That is why we say to every person suffering from piles or any form of rectal disease, send us your name and we will gladly send you a free trial package. For we know what the result will be. After using the trial you will hurry to your nearest drugist, and get a 50-cent box of Pyramid Pile Cure, now admitted by thousands to be one of the most wonderful remedies and cures for Piles ever known.

"Please excuse my delay in writing to you sooner in regard to what your Pyramid Pile Cure has done for me. I consider it one of the finest medicines in the world for piles. I suffered untold misery for four months when my wife begged me to send for a 20c box. When it came I knew I was better and it didn't take any begging to get me to send for a second box. I think I am about well now but if I feel any symptoms of a return I will order at once. I order it from the Pyramid Drug Co. to be sure of the cure. Tell all about this fine remedy for piles.

"And if there is anything in this letter you want us to do, I received your letter a few days ago. Yours for a remedy like Pyramid Pile Cure."
J. J. McElwee,
Honey Grove, Tex., R. H. 9, Box 29.

"P. S. I only used two boxes and don't think I need any more. Piles of seven months' standing."
To get a free trial package send today to the Pyramid Drug Co., 55 Pyramid Building, Marshall, Michigan. It will come by return mail and the results will both delight and astonish you.
