Offices in Summerside, J. Frank Lafferty, Editor; J. H. Allen, Publisher; J. H. Marriger, Manager.

The latest news, first of all.

Miss Tena Eaman, Charlottetown is visiting in Summerside.

Owing to the sudden illness of Miss Von Branders, who was taken to the P. E. Island hospital yesterday, her engagement at Happyland, Summerside, will have to be postponed for a few days.

The marriage of Richard A. Reid, son of the late John A. Reid, merchant tailor, of Alberton, and Miss Eliza Cook, daughter of the late J. P. Cook, M. P. P., is to take place in January. Mr. Reid is in the employ of the J. A. McManus Co., Ltd. contractors.

The Union Commercial College closed for the Christmas holidays on Wednesday. Miss Audrey Graves was awarded diploma with honors; special prize for most improvement in penmanship, Roy McDougall, Roseville; special prize for spelling in a short-hand department, Miss Minnie Mountain, Malpeque; special prize for spelling in Commercial Department, Miss Audrey Graves, Summerside; special prize for typewriting, Miss Ella Malone, Miscouche. Miss McKinnon and Miss McGregor received from the students handsome gifts.

William Wells, Alberton, received a telegram on Friday last, informing him of the death of his daughter, Mrs. James R. Rattray which took place at her home in Eburn, B. C. Mrs. Rattray had been in failing health for a long time but the news of her death was quite unexpected and will be learned with deep sorrow by all who knew her. Mrs. Rattray, in company with Mrs. Rattray and family left Summerside for the west about two years ago, in hopes that the change of climate would benefit her which, it did for a time. She is survived by a husband and four children. The remains will be buried at Eburn.

Miss Jenette Von Branders who has made such a signal success of her engagement in Charlottetown begins a brief stay in Summerside tonight at Happyland. She is one of the daintiest, little courtiers ever seen here, and will give tonight in addition to her illustrated song of Love makes the World go round a pretty specialty titled Smarty. This was one of the biggest hits of the season in the Capital, and brought her repeated encores. Every one should be at Happyland tonight to welcome the new singer. Give her a bumper house, and she will give the best and most refined entertainment for the price of admission that has ever come this way. The pictures will be the splendid ones of Saturday night and will be shown too for the final presentation. Do not miss tonight at Happyland.

The new chapel at Mount Carmel (Fifteen Point) which has just been completed after years of hard and energetic work by the pastor Rev. P. P. Arsenault, ranks as one of the finest churches in the province. It is built of brick and stone of a very attractive design. The inside finishings and furniture are handsome and excellent and display good taste. The pillars and table at the altar rail are of marble. Three of the altars as well as the pulpit are of the same material. There are 156 pews, all well made and commodious seating in all about 800 people. The woodwork was done by the M. F. Schurman & Co. Ltd. The marble work was done by M. Rigale of Quebec. The church is heated by steam and is in every way comfortable and convenient. The total cost of this beautiful edifice was in the vicinity of \$80,000. Since Father Peter went to Mount Carmel he has also had a fine brick Parochial house built in keeping with the church on which he and his parishioners are to be complimented.
