ALL NEWS OF LOCAL INTEREST

Reporters and Correspondents Everywhere.

A cup of good tea—a cup of Red Rose. You'll like its flavor.

All the members of Reform Division York are requested to be in attendance at the Hall Monday evening next.

THE P. E. I. Hospital acknowledges with thanks a lot of straw from Robert Cartz, and a bag of vegetables from David Rogers, Fredericton.

A meeting of the Morill Farmers' Institute is to be held next Wednesday evening to consider the Government's proposition of guaranteeing the bonds of the Dominion Parking Co. and the proposition of Davis & Fraser. The representatives of the district and all others interested are invited.

By a letter received from Charles F. Vessey of Dominion Creek, Yukon Territory, it appears that he is doing well in that distant part of Canada. He is at present in partnership with Al X. McRae and the firm have already invested heavily in the most improved mining machinery Mr. Vessey is the youngest son of Robt. Vessey Esq., York.

The many friends of Mr. James Vessey the third son of Robt. Vessey Esq., York will be pleased to learn that he is at present working for the Western Union Telegraph Co. at Newark, New Jersey. Mr. Vessey has just returned from a very pleasant trip to Boston and the Niagara Falls. He also visited St. Louis where the World's Fair of 1904 will be held. Mr. Vessey expects to visit his parents at York during the coming winter.

The arrangements for the All Canada Team's trip to England are progressing fast. Dr. Jack and Mr. McClure have received names now from Vancouver, Halifax, Nainaimo, Brockville, Montreal, Brantford and Hamilton, and have still to hear from Charlottetown, Toronto and Ottawa. They are pretty sure, however, that Hardisty, of the Argonauts, will go with them. The men are being selected now, and they will all be here in a week or two, it is expected that they will leave here about the 25th of this month, and that they will leave Halifax about the first of December. They will play one match here, and one or two in Halifax. The costume has been decided upon and will consist of red stockings, blue breeches and white jerseys. Upon his jersey will be worked a maple leaf with the words Canada 1902-1903. The caps will be of the shape of the regulation championship caps, and will be in blue and silver. On the front will be a silver maple leaf under that the word "Canada" in silver. Montreal Star.

MURRAY RIVER—H. J. Mahon, the genial proprietor of H. A. Ellis' drug store, has erected a new platform in front of his store and has made many other improvements which makes this store rank with the best in the Province.—E. S. Mitchell, of Charlottetown, our water-master, is doing a flourishing business, and the pleasant manner in which he caters to the wants of his many customers has won him many friends.—John D. Hume, proprietor of the Commercial Hotel, expects to add to his building in the near future as he finds that he cannot accommodate the large number of people wanting lodgings.—The people of Murray River are deserving of much credit for their enterprise in erecting a new hall. We are looking forward to some dramatic companies giving us a call.—The merchants are doing a flourishing business in the shipping line.—Mr. Kitchen, the railroad contractor, deserves much credit for the energetic way in which he is pushing to completion the Murray Harbor Branch.—Wm. Harris, of the P. E. I. Railway, has lately been transferred to the M. H. Branch.

Chronic Biliousness

IN ITS TRAIL FOLLOW HORRIBLE DREAMS, DEPONDENCY MELANCHOLIA AND GENERAL WEAKNESS.

The elements needed to promote good digestion, regularity of the bowels, correction of the kidneys and liver, must be supplied when a bilious condition of the system is once established.

Ferrozone can't help but do this. It gives the stomach perfect rest, and allows you to partake of and enjoy the variety of food that is necessary for maintaining health. One Ferrozone tablet taken after each meal will separate the nutritious portions of the food from the waste, which is carried off, thus preventing and curing constipation and its attending evils.

Being a potent blood purifier, Ferrozone cleanses the crimson flood of bile and impurities, and as a result the complexion is restored to a rosy, healthy hue, and the dark circles under the eyes and the deadly pallor of the cheeks, go away never to return.

Taken for disorders of the stomach commencing with biliousness, and ending with derangements of the liver and kidneys, Ferrozone achieves marvelous results. It is at the same time a tonic and stimulant, and a regulator of all bodily functions, and chronic sufferers should not fail to give it a fair trial. It will soon be good without doubt, and if the malady is curable it will yield to Ferrozone.

With the use of Ferrozone appetite will be better, the blood made rich and pure, sleep will be dreamless and sound. Your morbid complexion will be cleared and beautified, your eyes will acquire a new brightness, and as you spirit rise and good health returns, you will bless the day you learned the secret of Ferrozone's power.

If you think you need Ferrozone go to the nearest drug store and procure a supply. Refuse a substitute and insist on having the genuine Ferrozone, which costs 50 cts. per box, or 3 boxes for \$1.25. By mail from N. C. Polou & Co., Kingston, Ont.

The Maritime Farmers on the P. E. I. market.—The situation is rather uncertain at present as regards prices, and buyers are afraid to quote on orders as produce is hard to get and they are afraid to advance before they could secure the stuff. Nothing is stored yet and unless the supply increases it will not be possible to more than fill orders and work from a hand to mouth sort of way.

According to a recent decision of the Faculty of Arts of McGill any undergraduate who may hereafter fail at the April examinations, and who shall not have passed all supplementals that may have been granted him by September, shall not be allowed any further opportunity of covering his session. The faculty considers that any man who cannot pass the September supplementals had better take the whole year over, rather than attempt to carry a full year's work and his supplemental subjects besides.

THE St. John Globe says: "W. T. McKee, of Charlottetown, P. E. I., presided at the organ in Linster Street Baptist church at both services Sunday with much acceptance. Mr. McKee is a young man of about twenty years of age and a promising musician. He has studied under Prof. F. Watts, of Charlottetown, and is an applicant for the position of organist in the Linster Street church, Miss Hart having resigned some weeks ago. There are two other outside applications in for the vacancy."

BRAIN FOOD

Is of Little Benefit Unless It Is Digestion.

Nearly everyone will admit that as a nation we eat too much meat and too little of vegetables and the grains.

For business men, office men and clerks and in fact everyone engaged in sedentary or indoor occupations, grains, milk and vegetables are much more healthful.

Only men engaged in a severe outdoor manual labor can live on a heavy meat diet and continue in health.

As a general rule, meat once a day is sufficient for all classes of men, women and children, and grains, fruit and vegetables should constitute the bulk of food eaten.

But many of the most nutritious foods are difficult of digestion and it is of no use to advise brain workers to eat largely of grains and vegetables where the digestion is too weak to digest them properly.

It is always best to get the best results from our food that some simple and hard-digestive should be taken after meals to assist the relaxed digestive organs, and several years experience have proven Stuart's Dyspepsia Tablets to be a very safe, pleasant and effective medicine and a remedy which may be taken daily with the best results.

Stuart's Dyspepsia Tablets can hardly be called a patent medicine, as they do not act on the bowels nor any particular organ but only on the food eaten. They supply what weak stomachs lack, pepsin diastase and by stimulating the gastric glands increase the natural secretion of hydrochloric acid.

People who make a daily practice of taking one or two Stuart's Dyspepsia Tablets after each meal are sure to experience perfect digestion which means perfect health.

There is no danger of forming an injurious habit as the tablets contain absolutely nothing but natural digestive; cocaine, morphine and similar drugs have no place in a stomach medicine and Stuart's Dyspepsia Tablets are certainly the best known and most popular of all stomach remedies.

Ask your druggist for a fifty cent package of Stuart's Dyspepsia Tablets and after a week's use note the improvement in health, appetite and nervous energy.

OUR CATTLE STAY OUT.

TORONTO, Nov. 4th.—The Telegram's London cable says: "In the House of Commons to-day, in reply to a question from Sir John Lang, member for Dundee, with regard to the removal of the restriction on Canadian cattle, the president of the board of Agriculture said the act of 1895 prohibited the importation of all cattle alike, and that he had no intention of proposing its repeal."
