

The Best Cough Syrup Is Home-made

Here's an easy way to save \$2. and yet have the best cough remedy you ever tried.

You've probably heard of this well-known plan of making cough syrup at home. But have you ever used it? When you do, you will understand why thousands of families, the world over, feel that they could hardly keep house without it. It's simple and cheap, but the way it takes hold of a cough will quickly earn it a permanent place in your home. Into a 16-oz. bottle, pour 2 1/2 ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to fill up the bottle. Or, if desired, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, it tastes good, never spoils, and gives you 16 ounces of better cough remedy than you could buy ready-made for five times its cost.

It is really wonderful how quickly this home-made remedy conquers a cough—usually in 24 hours or less. It seems to penetrate through every air passage, loosens a dry, hoarse or tight cough, lifts the pharynx, heals the membranes, and gives almost immediate relief. Splendid for throat tickle, hoarseness, croup, bronchitis and bronchial asthma.

Pinex is a highly concentrated compound of genuine Norway pine extract, and has been used for generations for throat and chest ailments.

Avoid disappointment by asking your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

LETTER OF SYMPATHY

Bradabane, Sept. 18 1918. Mr. E. Calvin MacKay:

Dear Brother:—On behalf of the members of Calvin L.O.L. No. 1127, we desire to convey to you and the others of your family our sincere sympathy in the great sorrow that has come to you through the death of your dear brother Pte. Elmer MacKay, on the blood-stained field of distant France.

We fully realize the inadequacy of mere human words to bring solace to the grief-stricken heart, yet we feel that the present occasion demands special notice.

Death seems hard at all times and particularly so when it comes to one just on the threshold of manhood with all its opportunities; but behind this gloomy thought there comes a ray of comfort when we remember that your loved brother out of devotion to duty bravely laid down his young life that his country might continue to enjoy the blessed privileges of freedom for which our forefathers bled and died. The example of his love for his friends, his cheerfulness and patriotism, his clean Christian character, all these will be blessed memories for those whose hearts are now so sore.

Again, we would assure you all of our heartfelt sympathy and would direct you for lasting comfort to Him who said: "Come unto Me all ye who labor and are heavy laden and I will give you rest."

It is enough! earth's struggles soon will cease, and Jesus calls us to Heaven's perfect peace.

On behalf of the Lodge, W. J. SEAMAN ROBT. MACKENZIE, Committee.

PUT OLD ENEMY TO UTTER ROUT

Tells how to lift off that touchy corn without hurting one particle

Hospital records show that every time you cut a corn you invite lock-jaw or blood poison, which is needless, says a Cincinnati authority, who tells you that a quarter ounce of a drug called freezeone can be obtained at little cost from the drug store but is sufficient to rid one's feet of every hard or soft corn or callus.

You simply apply a few drops of this freezeone on a tender, itching corn and the soreness is instantly relieved. Shortly the entire corn can be lifted out, root and all, without pain.

This drug is sticky but dries at once and is claimed to just shrivel up any corn without inflaming or even irritating the surrounding tissue or skin.

If your wife wears high heels she will be glad to know of this.

The High Cost of Whims

THE United States Government has found it necessary to issue strict orders regulating the styles of shoes. Why? Because the high cost of fads imposes a burden all along the line—upon manufacturer, dealer and consumer, and upon the Government itself.

Such action may be avoided in Canada, if you—the consumer—will co-operate with the manufacturer in reducing the demand for extravagant styles—if you will buy prudently, for service rather than for effect.

To do this will be a direct benefit to you. You will get better and longer service, more comfort, and your shoes will be quite as neat and attractive. You will need fewer pairs of shoes in the course of a year.

More than that: you will help to cut down needless extravagance, to reduce superfluous stocks on the dealers' shelves, to keep prices down, and to release essential supplies of leather for our forces overseas.

The Dreaded Message

IT is the women that have suffered most in this terrible war— "For men must work And women must weep."

Theirs has been the worry and anxiety. The watching and waiting in constant dread of what might happen.

Because mental suffering is far more distressing and debilitating than physical pain and discomforts women have had the greatest burden to bear.

The strain has been both severe and long, and the result is an alarming increase in diseases of the nerves. Nervous headaches, neuralgic pains, nervous prostration and exhaustion, restlessness, irritability and melancholy.

These are some of the indications of nervous breakdown.

The building up of an exhausted nervous system is oftentimes a somewhat tedious process, but with the persistent use of Dr. Chase's Nerve Food you can be sure that restoration is both natural and lasting.

Get out into the fresh air as much as possible. Seek the companionship of healthy, cheerful people, and depend on this food cure to enrich the blood and sup-

ply to the depleted nerve cells the nourishment essential for their restoration.

Mrs. S. N. Hurst, Barrie, Ont., writes: "About thirteen years ago, owing to a shock I had received, my nerves simply got the better of me. I could not sleep at night nor work in the day time. I suffered from a trembling sensation in my stomach, which kept up continually. I doctored for about a year and a half without getting any benefit. Then someone advised me to try Dr. Chase's Nerve Food. I did so, and at first was nearly discouraged, but as I was finishing the first box I found I was getting a little better. I then continued the treatment until I had taken six boxes, and during this time seemed to be getting stronger and better as time went on. The trembling in my stomach ceased, and I was able to eat and sleep without any difficulty. I am very grateful for having been advised to use Dr. Chase's Nerve Food, as I had about given up hopes of ever getting any relief. I therefore gladly recommend the use of this treatment to any one suffering from nervous trouble of any kind."

In order to be sure of getting the genuine Dr. Chase's Nerve Food it is only necessary to see the portrait and signature of A. W. Chase, M.D., the famous Receipt Book author, on the box you buy. 50c a box, 6 for \$2.75. all dealers, or Edmansons, Bates & Co., Ltd., Toronto.
