

PE-KU-NA IS THE WOMAN'S BEST FRIEND, So Says Mrs. Rose, of New York City, And Tens of Thousands of Other Women.

Mrs. Ellen Thompson, Battle Town, Ky., writes:
"When I wrote you for advice I was very bad off. When I received your letter I commenced using Peruna and it did just what you said it would. I have had a cough for about fifteen years and your medicine has done me more good than anything I have ever used. I am so thankful to you for your advice to me."—Mrs. Ellen Thompson, son.
Mrs. James Eighmey, Grape, Mich., writes:
"I have been troubled with pain before and during my months ever since I was seventeen. I was also troubled with other female weakness. I took your treatment, and am now well, and thank you for your kind advice."—Mrs. James Eighmey.
Mrs. John Meyers, Erhart, O., writes:
"I have been a sufferer from chronic catarrh for years and have thereby lost the sense of smell entirely. I had four of the best physicians in this vicinity without receiving any benefit whatever. 'Now I am once more a well woman. I find Peruna to be the best medicine in the world as it has done me more good than my physician could have done for me. My friends say I look ten years younger. I tell them that Peruna did it. I can't thank you enough for your free advice.'—Mrs. John Meyers.
Mrs. Ida Baker, Portsmouth, O., writes:
"I am glad to say that I am well. I have taken Peruna and feel better than I have for ten years; have gained twelve pounds and am still gaining. When I wrote to you for advice I had given up all hope of being well again, and I feel that it has saved my life."—Mrs. Ida Baker.
Alice Scott, of Frankfort, Ky., in a letter to Dr. Hartman, says:
"For seven long years I had been a constant sufferer from catarrh of the pelvic organs which resulted in displacement of the uterus. I wrote you telling you all my complaints from the beginning to the present, made happy and much encouraged every time by your kind and fatherly letters of advice and instruction. I am now a strong woman weighing 148 pounds."—Alice Scott.
If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.
Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Mrs. Jennie Rose, 362 W. Twenty-Second Street, New York City, writes:
The Peruna Medicine Co., Columbus, O.:
Gentlemen: "Peruna is a blessing to suffering women. I suffered with female trouble since I began menstruation, and every month I suffered two and three days of untold agony, and had to arrange my work and duties so as to be in bed every month for two days at least.
"My brother was cured of Bright's Disease from the use of Peruna and so I determined to try it for my trouble.
"Imagine my great joy when I found that it relieved me quite a bit the first month and I was entirely without pain during that period after having used Peruna only four months.
"This is about two years ago and all during that time I have suffered no pain. I can now come and go as I like and consider Peruna woman's best friend and wish that every suffering woman might know that she can find relief through the use of this medicine."
Truly yours,
MRS. JENNIE ROSE.
