NEVER before, in the history of Prince Edward Island exhibitions was there such an array of live stock as was seen at Charlottetown this year. Horses were out in full force and intending purchasers and admirers were lined around the judges' ring several tiers deep. Prince Edward Island has been noted for some time for the quality of its horses and the showing this year establishes the fact stronger than ever.—The Maritime Farmer.

DEAR SIR:—Permit me through the columns of your paper to thank the Agricultural Mutual Insurance Co. for their settlement in full of my claims for loss of barn and out buildings on Sept. 24th last. I also wish publicly to express the heartfelt gratitude of myself and family for the willing help and sympathy of friends and neighbours who labored so heroically to save our house and property on night of fire. I thank them and all others, who, during the last few weeks have done so much in many ways to lighten the burden of our loss. Thanking you, Mr. Editor, for space in your paper, I remain, Yours truly, James H. Millman.

CURED PAINFUL IRREGULARITIES.

Strong Testimony From a Lady Resident of Clarksburg, Proving that Ferrozone Surpasses all Other Remedies.

The health of many women is constantly imperilled through failure of certain organs to work according to nature's requirements.

Where this condition occurs there is no safer remedy to employ than Ferrozone, which has a specific action in female troubles.

Not only does it act directly on the organs, ensuring regularity and freedom from pain, but by forming rich red blood fortifies the system against weakening drains.

Ferrozone possesses a volume of merit totally absent in the ordinary medicine, and its superiority among women is proclaimed by thousands of women it has restored to vigorous health. From Mrs. F. G. Caldwell comes the following endorsement, written from her home in Clarksburg: "I went through a most trying experience with what is commonly known as 'Female Trouble.' It isn't necessary to state my symptoms, but I suffered a great deal. My health was well nigh ruined, and I got into such a condition that I couldn't even sleep. I was dreadfully nervous, weak and pale. Different prescriptions were recommended and I tried them. But Ferrozone was the first to help. I improved steadily under Ferrozone and normal conditions were finally established. I gained weight, my color and spirits improved, and my former health was restored. Ferrozone cured me and with a full heart I recommend this good medicine to all other women. Beware of imitations—don't allow a druggist to palm off anything else for Ferrozone, which costs 50c. per box or six boxes for \$2.50 at all dealers.
