

PIMPLES.

These Troublesome, Disfiguring Blemishes can be Removed by the all Powerful Blood Purifying Burdock Blood Bitters.

The nasty little pimples that come on the face and other parts of the body are simply indications that the blood is out of order and requires purifying.

They are little irritating reminders to you that you need a course of treatment with Burdock Blood Bitters.

When B.B.B. makes your blood pure then the pimples will vanish and your skin become soft and clear. Here is evidence worth considering:

Mrs. Marrie Ketch, Bristol, Carleton Co., N.B., writes: "I take great pleasure in recommending Burdock Blood Bitters to every one troubled with pimples. I was for years that I would break out with them at times on my face and back. I tried all sorts of remedies, including doctors' medicine, but everything failed to cure me. At last I heard of B.B.B. and thought I would try it."

"When I had finished taking two bottles I felt a great deal better, so kept on using it until I had taken in all six bottles. It has completely and permanently removed every pimple from my body and I never felt better in my life than I do at the present time."
