..*FUNERAL HELD.— Funerals have been very frequent in Georgetown of late. The funeral of the late Mrs. Hindall nee. Miss Margaret Loures, formerly of the town but lately residing in New Glasgow, N. S., was held in St. Davids Presbyterian Church on Sunday, November 19th. The remains of the ycung wo- Glasgow where her death occurred to Georgetown by her father, Mr. Wm. Loures and her brother Charles. All her early years were spent in the town and she by her bright and lovable disposition had endeared herself to many besides her relatives the sympathy of The Guardian is extended to the many relatives as well as to her husband, Lance Corporal Hindall who is at present in England with the 160th.—G.

..*MRS. ANDREW GLOVER.—The death occurred unexpectedly at the home of Mrs. John Stewart, Georgetown, on Thursday morning after only a few hours illness of her mother, Mrs. Andrew Glover, nee Mary Bull of Murray Harbor. The deceased was a very highly esteemed and respected old lady and had been a resident of Georgetown for over forty years. She was born eighty-three years ago at Murray Harbor and first married Mr. Bull a native of that place and after his death married Andrew Glover of Abney, who predeceased her some eighteen years. She leaves to mourn two daughters Mrs. John Setwart of Georgetown and Mrs. John Murdock of Pictou, three sons John Bell of Trenton N. S., Samuel Bell of Georgetown and Rev. Beniamin Glover of Kamsack Saskatchewan besides two brothers Robert Bull and David Bull, Murray Harbor and one sister Mrs. Benjamin Moore of Abney to whom the Guardian extends sympathy in their sad bereavement. The funeral was held Sunday, December 3rd by Rev. Joseph Greenless to St. David's Cemetery.—G.

..*CONCERT AND PIE SOCIAL.—A concert and pie social was held in the new hall at Sturgeon on Wednesday evening, Nov. 29th. This was the first public gathering held in the hall and proved a great success. The programme consisting of songs, dialogues etc., was exceptionally well rendered by the various performers. An interesting feature of the evening was an address by Rev. M. J. Smith. Father Smith gave great credit to the architects of the hall for the admirable way in which it had been designed and constructed. He emphasized very strongly the need of such a building especially in country districts. He also dwelt upon an agricultural political and social point of view. There were a very large number of cakes which were auctioned in fine style by Mr. Sydney Nelson, Montague. Thus, the needs of the inner man were amply provided for; each gentleman buying a cake and taking his lady to tea which was served by the ladies of the parish in their usual excellent manner. The goodly sum of $60 was realized which is thought to break the record for country concerts. The following is a summary of the programme:— Overture— Instrumental Music; Solo and Chorus— "Good-Bye My Soldier Boy"; Recitation— Minnie McGee; Vocal Solo— Miss Janie McLure; Dialogue— "When the Cat's Away the Mice Will Play; Vocal Duet— Loretta and Ella May Murphy; Recitation— Dorothy Jamieson; Address —Rev. M. J. Smith, D. D. Intermission. Candy Sale. Instrumental Selection— Wm. and Margaret Kearney; Vocal Solo— Miss Laura Whitman; Dialogue— The Photograph Gallery; Recitation— Dorothy Steele; Vocal Solo— Mr. Wm. Farrell; Recitation —Catherine Mahar. Solo and Chorus —"When Your Boy Comes Back to You"; Step Dance— Mr. James Thompson; Sale of Baskets. God Save the King.

..*MR. R. R. HOWLETT is Guardian agent for Annandale and vicinity.

..*LATE CAPT COOK.— The funeral of the late Captain Cook took place on Friday, December 1st from Holy Trinity Church, Georgetown. Mr. Clement Mitchell officiating. The service at the grave was performed by the officers of St. George's Lodge F. A. M., of which the deceased was a member. He died on the S. S. Montcalm of which he was the marconi operator and leaves a widow and one son in this town as well as a mother and other relatives in Nova Scotia.—G.

..*CAPT. D. WALKER.— The death of the late Capt. Daniel Walker of the S. S. Brant occurred very suddenly at his home in Georgetown on Thursday, Nov. 23rd. He had arrived the day previous on the steamer apparently in his usual health. The funeral from St. Davids Presbyterian Church on Saturday, Nov. 25, was conducted by the Rev. Jos. Greenless. The Guardian joins their many friends in extending sympathy to the bereaved widow and sons, three of whom are with the Canadian Expeditionary force in England.—G.

Women As Brave As The Men

THEIR STRUGGLE SHOWS A REMARKABLE SPIRIT.

Talk of the bravery of men, but where you can find a finer spirit than among the half-sick women who are fighting and struggling to do their duty against the terrible odds of ill health, and who will not give up.

One woman in every three is struggling against weakness. Most of them are not exactly sick, but, oh, how miserable.

The burden and misery of it all has its foundation in the blood which is thin and watery. The red cells are too few. The very stream of life is reduced in vitality. Weakness and inevitable ill-health are the certain result.

Every ailing or weak woman can quickly regain her health in this very simple way. By filling the system with the nutrition, that comes from rich red blood, a quick change for the better will result. To accomplish this, take two chocolate-coated Ferrozone Tablets after each meal. You'll feel better immediately for the simple reason that Ferrozone renews the blood. It gives you vim, vigor, endurance, restores a tired, worn-out system very quickly.

You'll feel like new all over once you get Ferrozone working through your blood. It puts color into faded cheeks, brightens the eye, quickens the step, brings back that wonderful feeling of youth.

One of the finest things Ferrozone does is to make you eat lots and digest it well. With keen appetite, sound sleep, strong nerves and lots of nourishing blood you're bound to regain robust health. Any sickly girl or ailing woman that Ferrozone won't make well must be incurable. There is a secret power in Ferrozone and it is worth a trial at all events. Fifty cents per box, six for $2.50. At all dealers in medicine, or by mail from The Catarrhozone Co., Kingston, Ont.

CHRISTMAS PRESENTS.

The customary jokes are beginning to appear concerning father's Christmas present, the inference being that the choice of articles is much restricted. This is an error, for there are many things calculated to please him— just as many this year as ever before. They are to be seen in every haberdasher's show window, and every departmental store of any pretensions whatever has reserved one window for the guidance of the wives and the sisters, the cousins and the aunts. For father's present, what is the matter with a pair of slippers or a pair of braces? A necktie is also on original present and so is a pair of gloves. Or is he wearing odd cuff links? Then buy a new pair, even if you have to spend a dollar. The selection is not limited to the forementioned either, for there are handkerchiefs socks, mufflers. And what is neater than a swell, one-piece unbreakable collar button, guaranteed not to make a black mark below the Adam's apple and which costs only fifty cents, the price of a pound of butter in Canada, an agricultural country. Then there are pipes, and boxes of ten 5-cent cigars for fifty cents, or five ten cent ones for the same price. And if he receives any one of the numerous gifts, father will say he is delighted. He daren't do otherwise.

A fine present for a family this year would be a bag of potatoes, or four pounds of butter, or a roast of beef, or a ton of cold.—Ex.

MORE BELGIANS ARE DEPORTED

Inhabitants of Hasselt and Lanaye Being Sent to Germany.

—LONDON, Dec. 1—It is reported from Fauquemont, says a Reuter despatch from Amsterdam, today, that the male inhabitants of Hasselt and Lanaye, Belgium, between the ages of 17 and 50 and also girls and women possessing sewing machines, are to be deported to Germany.

The Germans, according to information received by the Belgian officials, have just dismantled the Meuse distillery and other establishments of the same kind at Wynekhem. The engines and machines were taken to Germany. Systematic raids on machine tools are said to have beena resumed at Cookerill and Seraing.

In the communes of Luxemberg province it is declared employed men have been deprived of their usual occupations of mending public roads. The Germans odered this work stopped and, treating the men thus made idle as "unemployed," it is asserted they gave them the alternative of deportation or voluntary engagement to work in Germany. The pretext given for the stoppage of work in the Belgian mines and the deportation of the miners was that "miners were needed in Germany."

CANADIAN PERISHES IN CONVENT

NEW BEDFORD, Dec. 1—Sister St. Seraphin of the Convent of the Sacred Heart, this city, is dead as the result of a fire which badly damaged the structure.

A panic started among the sisters and in their haste to escape Sister St. Seraphin, who was ill, was forgotten. She was suffocated in her bed. The sister was a Canadian and was 30 years of age.

The fire is believed to have been set by a stranger who was refused admission to the convent.

BRITISH COMMENT ON AGREMENT OF ALLIES

LONDON, Dec. 4—The momentous declaration of the agreement by the Allies to the acquisition of Constantinople and Dardanelles by Russia, is given a second place in morning papers and is highly commented upon by two of them The Conservative press, which formerly vehemently supported the British statesmen of the nineteenth century in keeping the Russians away from Constantinople, receive the news in silence, and give it no prominence. The Liberal Chronicle and the Liberal News are the only papers to make any comment. The Chronicle says that the ansouncement deserves to be highly welcomed in England, and sets out reasons why it thinks it desirable. The News, with less enthusiasm, thinks that the present settlement of the vexed question will shorten and simplify the proceedings at the ultimate peace conference.

GERMAN HATRED OF BRITAIN YEARS AGO.

NIAGARA FALLS, Ont., Dec. 1.—Addressing a mass meeting of women in the City Hall, Hon. Capt. Mrs. Parsons told of her travels through Germany years ago. On one occasion, many years ago, she had attended a gathering at Potsdam in honor of Emperor Frederick, and the dominant note of the speaker was that the day would come when the German navy would have swept the seas clear of British "pirates," and hatred for Britons was clearly manifested there. "I took the matter as a huge joke in my innocence," said Mrs. Parsons.

DUTCH WILL SEND A NOTE TO GERMANY.

THE HAGUE, Dec. 2—The Dutch government, the Associated Press learns, has prepared a note to Germany regarding the Belgian deportations. The note is virtually in the same tenor as the protest made by Switzerland.

"Only for the Teeth Have We Learned to Take Precaution in Advance of Pain."

Experience has taught us that to wait for the toothache warning is to allow irreparable loss to be done.

But why do we not apply this lesson in caring for the general health, and by keeping the blood rich and the nervous energy at high-water mark, reduce sickness to a minimum and prolong life?

There are many symptoms to warn you of the weak, watery condition of the blood and exhausted nerves, and by the timely use of Dr. Chase's Nerve Food it is not difficult to restore richness to the blood and feed the starved nerves back to health and vigor.

But just as the tooth cannot be saved after decay has gone too far, so the nerve cells can never be replaced once they are dead.

On this account it is a thousand times better to be warned by sleeplessness, headaches, indigestion, tired feelings and muscular weakness rather than to neglect treatment and allow nervous prostration, locomotor ataxia or paralysis to develop.

That Dr. Chase's Nerve Food is the greatest of nerve restoratives is being proven every day, and you will find the evidence in the daily and weekly papers.

50 cents a box, 6 for $2.50, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

Do not be talked into accepting a substitute. Imitations disappoint.
