WARNING AGAINST SPECULATORS IN VETERANS' SCRIP.

(Ottawa Citizen.)

When the dominion government decided to make the grant of 320 acres of land in the northwest to each officer and man from Canada who served in South Africa, it was stipulated that the time for locating the scrip should expire on December 31, 1910. This only gave the soldiers about two years in which to locate on the land or dispose of their scrip. There is no doubt that had the grant been made shortly after the men returned from the war the larger proportion would have located the scrip themselves and commenced life in the northwest. But six or seven years having elapsed since the close of the war, most of the soldiers had settled down in civil life and were not in a position to pull up stakes and proceed to the northwest. For this reason, by far the larger number have either disposed of their scrip or are endeavoring to do so, at something approximating its real value.

The time for locating having been so short, Hon Mr Oliver has consented to extend the period for location until the end of 1911. Col Hughes and other members have made the suggestion that the extended period for location should apply only to the scrip that still remains in the hands of the soldiers, and not to the scrip which has been bought by speculators and is being held by them to take advantage of the "unearned increment" due to the rapidly increasing population of the new province.

The suggestion is an excellent one and will work well all round. The speculators, most of whom purchased the scrip at comparatively low figures, did so with the knowledge that the period for location would expire at the end of this year, so that no injustice will be done to them.

On the other hand it is undesirable that a large amount of this scrip should be held for speculative purposes, and eventually large areas of territory blanketed with it eighteen months hence, when the increase of value has been considerable. If it is provided in the bill that the year's extension applies only to scrip in the hands of the soldiers, it will give the man additional time to make their arrangements to locate it themselves if they are in a position to do so, or will enhance the value of the scrip if they desire to dispose of it.

In other words, if the extension is made applicable to all scrip issued but not located, the speculators will stand to make a large bunch of money, whereas if the extension is limited to the scrip in the hands of the soldiers, that scrip will become more valuable than what is held by the speculators. Consequently, the soldiers will stand a chance or realizing something more approximating the value of their grant from the government.

The speculators have obtained a large proportion of the scrip at prices varying from $300 to $700, with $500 as a fair average. This is much less than its real worth, and those veterans who are not in a position to locate in the northwest will receive at least $1,000 for their 320 acres, which is something more like its value.

As giving an idea of the amount of money which the speculators stand to make, it may be mentioned that one young soldier, who happened to be in the northwest, had his scrip sent out to him and located his own 320 acres about a year ago. Since that he has sold the property for $3,000. Under such conditions the speculators will be getting all that is coming to them, even if the extension is not greanted to them. While, as already pointed out, the soldiers who still have their scrip, will stand a chance of getting something like its value.

Balsamic Essences

Make Wonderful Cure for Catarrh, Colds, Bronchitis, Throat Weakness.

To cure an ailment in the throat or chest, to rout out Catarrh or Asthma, it is essential that the medicine be conveyed direct to the effected parts. This is why no other remedy has achieved such world-wide success as Catarrhozone, which alone can be breathed in one second to every air cell in the breathing organs. The healing vapors of Catarrhozone mix with the breath and descend through the throat, down the bronchial tubes, to the deepest air cells in the lungs—all parts are saturated with the rich piney essences that ease, heal and cure.

Catarrhozone has entirely displaced the old-fashioned remedies such as cough syrups, sprays, tablets, and sedative powders. It contains none of the opium, chloral and drowsy narcotics, so commonly found in liquid cough and catarrh remedies.

The extraordinary curative power of Catarrhozone is well explained in a letter from A. B. Gowan, the well known resturanter of Carleton, who writes: "Some time ago I suffered severely from a frightful cold in the head and chest. It was nothing but one continual cough, hawk, headache from morning till night. My nose and throat were so completely stuffed up that I could scarcely breathe. Catarrhozone eased the cough instantly, that would not yield even to the doctor's medicines. Hour by hour Catarrhozone relieved and by pursuing its treatment I have been permanently cured of all trace of Asthma, Catarrh and Bronchial Irritation."

Once you try Catarrhozone you'll realize how indispensable it is — the large dollar size contains an indestructible hard rubber inhaler and sufficient medication to last two months. Smaller trial sizes 25c. and 50c. Beware of the substitutor and imitators of Catarrhozone—use the genuine and you'll get cured. By mail from the Catarrhozone Company, Kingston, Ont.

SYDNEY COMPLAINING OF HIGH TAX RATES.

SYDNEY, N. S., April 11—The estimates for the current year were adopted at the regular meeting of the City Council last night. The estimates as submitted call for the expenditure of $179,835 and it was decided that the tax rate for the year would be placed at two per cent.

The total estimated revenue, including overdue taxes, is $80,707.13. Allowing for $20,000 uncollected taxes, this leaves the amount of $119,-127.87 to be made up on rates. Increases were made in the salaries of the city officials and the members of the police force. The registrar of votes was granted an increase of $50, stenographer $25, assessor $60, tax collector $60, assistant clerk $50. The police officers were granted $30 increase, including the chief and deputy chief. There were no changes made in the salaries of the fire department permanent staff. Another important increase is shown in the estimates for street work which are now $17,000 against $13,500 last year. These were the most important features of the estimates for the year.

The tax rate is fixed at two per cent. where as a matter of fact to the taxpayers it should not be more than 1.70 per cent. Any taxpayers who were with reason looking forward to a reduction in the rate of taxation this year will be disappointed that this had not been done. They will continue to pay the usual rate even although the city's needs do not call for it.

TEN YEARS' TEST OF ECZEMA CURE

During its ten years' test, oil of winter-green as compounded in D.D.D. Prescription has thoroughly, absolutely proven its merits for skin diseases.

Though on sale only a short time in Canada, it is rapidly duplicating here its remarkable success in the United States. Cure after cure, and the testimony of the world's leading skin specialists, show plainly that the way to cure the skin is through the skin; not, however by means of a salve reaching only the outer skin, but with a penetrating lipuid that gets into the inner skin, killing the germs and soothing the healthy tissue.

D. D. D. does just this. It cures—and it relieves instantly. If you have never tried it write the D.D.D. Laboratories, Dept C. G., 23 Jordan St., Toronto, for a free trial bottle.

For sale by all druggists.

An Awful Fear Caused Nervous Breakdown.

Mrs. S. J. Carman had, as her letter discloses, wit enough to see that fear engenders worry, and worry affects health and results in a general breaking up of the nervous system.

"The first winter I spent in Canada weakened my system and left me with a sore throat. I suppose the doctor did not intend to convey the impression that I was threatened with tubercular throat, but that idea got into my mind. Before the next winter I was almost a nervous wreck. Fear and dread had worn me to a shadow. But all was quickly changed when I used Ferrozone. It braced me right up. After Ferrozone had strengthened and rebuilt my system I no longer had any throat trouble. This makes me think that sore or tender throat is just an outcome of weakness. In three months I gained nearly eight pounds in weight—my blood was made rich and red—my nerves so strong that nothing troubles me now."

Mrs. Carman, who is well known for miles around her home town of Portland, voices the opinion of everyone that has used Ferrozone. It is sure to give you strength, certain to bring you robust health, unfailing in maintaining a reserve of vigor that defies weak turns, nervousness, insomnia and poor health. TWO CHINAMAN MURDERED IN NEW YORK YESTERDAY.

NEW YORK, April 11—Chinatown had two highly successful murders today, an attempt at murder, which miscarried by reason of faulty shooting and an abortive hold-up.

Chung Fook was shot three times in the chest, while standing on a street corner, and died before he could be carried to a hospital. Chen Hen was arrested.

Ing Mon, a laundryman, was found dead in a store in Doyers Street, with a bullet hole in his right side. Nobody has been arrested in this case.

Chu May Yen, a wealthy and benevolent merchant, who was formerly Chinese agent in New York for the Northern Pacific Railroad, was shot three times, in both thighs, by an assailant who escaped. He will recover. No arrests have been made in this case either. Chu wears American clothes, is the father of five children and has lived four years in Chinatown since he came here from the west. He gave a good description of his assailant, but he says he never saw him before and he had not an enemy in the world.

NATURE TELLS YOU

As Many a Charlottetown Reader Knows Too Well.

When the kidneys are sick,
Nature tells you about it.
The urine is nature's calendar.
Infrequent or too frequent action;
Any urinary trouble tells of kidney ills.

Booth's Kidney Pills cure all kidney ills.

Charlottetown people testify to this.

William P. Hodgson of 16 Hillsborough St., Charlottetown, P. E. I, says:

"I am pleased to say a good word for Booth's Kidney Pills for what they have done for my wife. She had suffered for months with severe pains in her back and across the kidneys and had frequent headaches. She could hardly get around and although she had tried many remedies was generally run down and so weak she could not find any relief until at last we learned of Booth's Kidney Pills through an advertisement and I procured a box at Geo. E. Hughes' Apothecaries Hall. She commenced treatment and in a few days their good work was apparent. The pains in her back and kidneys had gradually disappeared and she began to build up. Today she feels like a different person entirely. Booth's Kidney Pills will stand on their merits."
