COUGHS, COLDS AND ASTHMA

As Well as Croup, Bronchitis and Whooping Cough Are Quickly Cured by

Dr. Chase's SYRUP OF Linseed and Turpentine.

The virtue of this great prescription of Dr. Chase is so well known in Canadian homes that it seems useless to do more than remind you that it has a large sale and is curing more people than ever before.

"In the beginning of last winter I took a very severe cold, accompanied with a bad cough, and was almost laid up for a time. I tried several remedies with indifferent results. On the advice of a friend I got a bottle of Dr. Chase's Syrup of Linseed and Turpentine and found that it relieved the cough at once. By the time I had taken the one bottle my cough was gone, and I can truly recommend it as a splendid remedy for coughs and colds."
