**PRINCE EDWARD**—There was a splendid programme of pictures at this popular theatre last evening. "The Man from the West" being a strong drama with a strong hero. "When Smally Loves" was farce introducing Lord Sterling with his extremely funny face. He robbed the "cop" of his official attire and arrayed in the blue suit, he pursued his attentions to the young lady at the point at which he had been interrupted. The policeman, shivering in the scanty protection of a bathing suit, gives persistent chase, and there is a lively scene. Smally comes out top dog after many ups and downs. "September Morn" was another good comedy, while "The Pursuit of Hate" was a splendid drama.

**ORWELL-CHURCH**—Mrs. G. P. McLeod will sing at St. Andrew's Church, Orwell, on Sunday, Aug. 16th, at the 3 o'clock service and at the Vernon River Methodist Church at the 7 o'clock service.

**A HOUSE PAINTING SEASON.**—Notwithstanding the fact that business in the provinces is said to be quieter than usual this year, the amount of house painting going on has been much larger than for several years. A travelling man in Charlottetown this week said that he had been particularly impressed with this fact at various points which he had visited since the first of May. He said that in Halifax, St. John, Sydney, Amherst, Moncton, and Fredericton, there has been a very great deal of house painting, and very large consumption of Brandram's B. B. Gemine White Lead. Brandram's White Lead has been a favorite among Canadian painters for generations, and its sales today are far in excess of all other white leads. Brandram's stands the trying weather of the provinces so well that people who once use it always want it again.

**ISLAND GRADUATE.**—Among the successful students who passed the Junior matriculations in the Toronto University, as announced this week, is Miss Annie C. Irving of Cape Traverse, who stands high in her class work. Miss Irving is a brilliant student and made many friends while continuing her studies in the P. W. C., and C. B. C. in this city.

**A LARGE MARKET.**—The Charlottetown market yesterday was one of the most largely attended in years, in fact one who should know, remarked that it was the largest since the present market was built. There was an abundance of everything, fruit, butter, eggs, flowers, vegetables and meats. Cherries sold at 6 to 10 cents per quart, red currants at 10 cents, black currants at 14 cents, blueberries at 10 cents, raspberries 10 cents. Peas per quart sold at 14 cents, beans per pound, 8 cents; chickens, per pair 90 cents to \$1.20; butter, per pound, 26 cents.

**PEOPLE'S THEATRE.**—The People's Theatre was crowded last night when an exceptional programme was presented. Undoubtedly the marvellous step-dancing of "Larry Emery," late of the "Six Imperial Dancers," "Larry" is an adept at "Buck and Wing" dancing, and his exhibition last evening provoked spontaneous and thunderous applause. He is well worth seeing. "The Cruel Crown" was the title of the eighth instalment of a serial, "The Adventures of Kathryn and the Railway Engineers," late of the "Six Imperial Dancers," involving the heroine's sister. "A Modern Vendetta" was a strong three-reel drama, while "The Joy Ride" was a good comedy, in which the amorous propensities of a Lethbridge result in his tragic downfall and expulsion from society.

**WOMEN'S HOSPITAL SHIP.**—The women of Prince Edward Island are responding nobly to the invitation for subscriptions to the fund which it is proposed to raise to purchase a Hospital Ship for the British Navy. Up to yesterday, Mrs. Rogers (Govt. House), who is a Vice-President of the Women's Hospital Ship Committee, had received subscriptions to an amount exceeding \$1,670. The further list of contributions will appear in a subsequent issue of The Guardian, having been unavoidably crowded out of the present issue. Yesterday Mrs. Rogers remitted to Toronto the first instalment of the contributions of the women of Prince Edward Island to this fund, the amount being \$1,300. The lists are still open and contributions should be sent in as early as possible.
