Secretary's Annual Report June 1929

The Prince County Hospital Ladies' Aid met to transact business nine times during the year 1928-29. Average attendance 10.

President was absent for three months, during which time Mrs. Harry Hunter presided over our meetings in an efficient manner.

At the October meeting a motion that the Aid assume the responsibility of furnishing the Nurses' Home was carried unanimously.

Owing to the extra drain this would make on our treasury, a motion to hold a rummage sale was also carried. This sale was followed by a mixed entertainment held in St. Eleonora, put on by Mrs. Heath Strong at which the ladies sold candy.

The bedrooms have been fitted up comfortably, a cosy reception room contains a piano, chesterfield set, and other homelike furnishings and is much appreciated by the nurses.

The Aid thankfully received many donations for the Home, among which may be mentioned a beautiful mirror and pictures from P. L. Bowness; Wardrobe and other things from Miss McKelvie; Pillows from Mrs. Burleigh, pillows and slippers Mrs. W.N. Hunter; pillows, Mrs. Jesse Wright and a quilt from Mrs. Heath Strong.

All requests for sheeting, pillow cases and towels for wards and nurses home handed in by the superintendent, Miss Nicholson, have been filled and will be reported by our treasurer.

The addition of a Nurses' Home is a very great tax on our funds and means earning more money each coming year is imperative.

Respectfully submitted SARAH B. SCHURMAN Secretary

NEW YORK, N. Y., June 22—His honeymoon at an end, Colonel Charles A. Lindbergh is back at work to-day.

He was invited to witness the tests in his capacity of trustee and advisor to the fund organization.

ARE PLEASSED WITH CANADA

"Canada isn't like we had imagined it, and Toronto is beautiful," a member of a party of 28, visiting teachers from the southern and western States to-day confided to Charles Carlisle, veteran guide at the parliament buildings. For most of the members of the party it was their first visit to Canada. They were loud in their praises of the country's scenery and of the courtesy which they had encountered.
