

Why Be Penny Wise and Pound Foolish in Feeding Fox & Mink?

When you feed so little cereal and Ross-Miller food costs only a few cents more per 100 lbs. why risk poor breeders and poor pelts with cheap feeds?

The richer vitamin content of R-M Mink Foods is the biggest factor in bringing better pelt prices. You'll make more money feeding R-M Foods. Write for new feeding schedules. Ross Miller Biscuit Co. Limited, Toronto, Ontario.
