Sea View and Vicinity

The weather during the past week has been exceptionally cold owing to the East wind off the ice which is still piled in the bay much to the disappointment of the fishermen who have their final preparations completed, and are patiently waiting for the appearance of herring which are so necessary for bait. All join in wishing all engaged in fishing a successful and prosperous year.

A goodly number gathered in the hall at Sea View on Friday evening to tender Mr. and Mrs. Keir McKay a party shower as they had recently moved into their new home. They were the recipients of many gifts from kind friends accompanied by good wishes. Mr. John W. Murphy capably presided and after the presentation had been made a delicious lunch was served by the ladies after which the evening was pleasantly spent in dancing and music which was supplied by Colin Adams.

Mr. Roy Adams was a recent business visitor to Charlottetown making the trip from his home by auto.

Roper-Cox Nuptials

An exceptionally pretty Spring wedding took place in St. Paul's Church yesterday morning at 7:30 when Miss Margaret Louise Cox, R.N., daughter of Mr. and Mrs. A.C. Cox of Souris was united in marriage to Mr. Gordon Franklin Roper, son of Mr. and Mrs. John Roper, in the presence of the immediate families and friends. Exquisite lilies and snapdragons artistically arranged made an ideal setting for the happy event. The ceremony was performed by Venerable Archdeacon Raymond and during the signing of the register Mrs. Arthur Roper sang with pleasing effect "Because." The popular young bride who was unattended and given in marriage by her father looked exceedingly nice in a smart suit of Poudre Blue with dusky pink blouse, chic hat and dark blue accessories. She carried with charming Cliff Briar Roses. After the ceremony the bridal party had breakfast at the Queen Hotel and from there the happy young couple left by motor on a honeymoon trip to New York where they will take in the World's Fair. On their return Mr. and Mrs. Roper intend taking up their residence in Souris.

Worry over business or household duties, sudden shock, the insane quest for pleasure, the foolish attempt to put a week of normal life into twenty-four hours, feverish activity, the demand for sensational literature are all conducive to the aggravation of wear and tear on the nervous system.
 If you are tired, listless, nervous, and worried why not give Milburn's Health and Nerve Pills a chance to help put you on your feet again. They are a body building, nerve strengthening tonic containing the essential elements for the nervous system.
