ORWELL NOTES.—The Orwell Head Presbyterian Church was fortunate enough to secure the services of Mrs. Walter Scott, of Kinross, as organist, to fill the position made vacant by the resignation recently of Mr. Peter McQueen, Orwell. Mr. Milton Furness, of Vernon, musical director of Orwell Church, has also resigned. The trustees do not anticipate any difficulty in filling the vacancy, as there is much musical talent around and about Orwell. It is considered a hard proposition to fill the pulpit made vacant by the resignation of our beloved pastor, Dr. McEwen.

::The worms that infest children from their birth are of two kinds thase that find odgement in the stomach and those that are found in the intestines. The latter are the most destructive, as they cling to the walls of the intestines and if not interfered with work havoc there. Millers' Worm Powders dislodge both kinds and while expelling them from the system serve to repair the damage they have caused.

Maritime Religious Education Council

The Fourth Conference for Boys to be held in the Annapolis Valley was in session at St. Paul's Presbyterian Church, Kentville, N. S., 9th to 11th of March.

This Conference was directed by Rev. F. M. Milligan, B. A., Secretary of Religious Education, for the Presbyterian Church, who is also acting as Boy's work Secretary for the Council.

The delegates, boys fourteen years and over, come from places as far west as Middleton and from towns as far east as Newport. There were in all fifty-nine registered delegates. They were mostly Standard "Tuxis" boys from Squares who follow the program known as the Canadian Efficiency Training, which has also been adopted in part of the United States, in England, in New Zealand, and other places. There are now about 5,000 "Squares" stretching across Canada.

The boys conducted an election of officers of the Conference with resulted in Herbert Davidson Middleton, being chosen as Grand Preton; Mark Fairn, Kentville. Grand Deputy Preton; Willard Shaffner, Middleton, Grand Scriptor, and Clarence Pelton Kentville, as Grand Comptor.

His Worship Mayor A. E. H. Chesley, showed his interest in this splendid work, by welcoming the boys and giving theme the freedom of the town. Rev. Mr. Milligan gave an address on The Fourfold Life, outlining the programe which is based on the words: "Jesus Increased in Wisdom and Stature, and in Favor with God and Man."

There sessions were held on Saturday, in the first two of which the boys were divided into squares and conducted meetings similar to those carried on each week by the regular "Tuxis Square" or organised Sunday School class. After the second session a visit was made to the Sanatorium where the boys saw, among other interesting things the wonderful value of X-Ray work Sunday evening a banquet was served in St. Paul's School room. The teen-age girls from the churches interested waited on the tables. After the boys were really filled with the good things of the feast, a contest took place in which each "Square" or table tried out their "yells" Mayor Chesley, who was toastmaster, was also judge of the yells These were followed by the songs of the Tuxis boys, rendered most lustily, after which toasts were drunk to the King, the Church, the School, the Home the teen-age girls, and the Ladies. The speeches of the boys were excellent, that of Herbert Davidson "bringing down the house." Rev. W. C. Machum, Secretary for the Baptist Church, gave an address on "The Greatest Race."

Two sessions were held on Sunday at which Rev. Mr. Milligan and Rev. Mr Machum spoke. The Grand Pretor also delivered his closing address, which was well received, and after the boys had joined hands in a circle around the church, a very impressive, interesting and successful conference came to a close.

The following notes are gleamed from information received from the M. R. E. C. and R. F. C. Councils. The new graded memory course has been completed and will be submitted to the several denominational units for their adoption at their annual meetings next month.

It has been decided to discontinue promoting the International Bible Reading Association Memory Course as soon as the new ones have been published.

The International Children's Division Commitee recommended that the Children's week that was so successfully held in many places last year, shall take place in the fall instead of the spring this year. The Ontario R.E.C. has decided to hold theid Children's week May 13-20 and expect the observance to be Ontario wide. In some of the other districts, especially those with urban centres, this Children's Week may be held as recommended on October 14-21, as it will likely come in better at that time after "Rail Day."

Our National Children's Board has under preparation a set of lantern slides on the promotion of Children's Work and will appreciate any assistance that can be given in making this set as complete as possible.

The small manual or handbook for the workers in the Children's Division is now ready for the approval of the several boards, and it is hoped to have it in the hands of the workers before the fall season opens. In this there will be Chapters on "Children's Work in the Canadian Sunday Schools, "Home Religion." "The Small School," "The Cradle Roll," "The Beginners," "The Primary" and "The Junior" Departments, with the general introduction and a Bibliography.

The St. John Y. M. C. A. will hold their regular Junior Boys' Camp (aged 12-15) as usual this year, directly after the close of the Schools for two weeks on the M. R. B. C. Camp Grounds at Chipman, and it has been decided to throw open this Camp to the Trail Rangers of the Province up to the capacity of the Camp after the enrolment of the Y. M. C. A. boys had been completed. Trail Rangers who would like to take advantage of this splendid opportunity can thus send in their applications to Mr. A. M. Gregg. Y. M. C. A., St. John early.

Wireless Telephony Across Atlantic

Murder of Model Takes a new Angle

NEW YORK, April 2—Ferdinand Pecora acting District Attorney, tonight addressed a letter to Major Draper M. Daugherty, only son of the United States Attorney General requesting that he lay before New York authorities all the information he possessed concerning a blackmail conspiracy involving Dorothy King Keenan and John Kearsley Mitchell, of Philadelphia, son-in-law of E. T. Stotesbury.

The District Attorney declined to reveal where he addressed the letter to Daugherty, saying he had been given to understand the young man wished to keep his whereabouts secret.

Mr. Pecora also declined to discuss a report, current at Criminal Courts that Mr. Stotesbury was preparing to offer a substantial reward for the apprehension of the model's slayer.

Would Clear Small Mystery

TORONTO, April 2—A petition signed by 75 citizens has been presented to Mayor Maguire of this city requesting him to call a public meeting for the purpose of starting a public fund with which the two sisters of Ambrose J. Small, the missing theatre magnate of Toronto, may be enabled to continue their efforts to solve the mystery of their brother's disappearance.

A petition signed by 25 citizens would be sufficient to give the mayor authority to call a meeting.
