

# TIGERS DEFEAT CUBS TO TIE SERIES 1-1

## Greenberg's Homer In Fifth With Two On Gives Detroit Team 4-1 Victory

By GAYLE TABLOT  
 DETROIT, Oct. 4 (AP) — Big Hank Greenberg crashed a towering home run into the left field stands with two runners on base in the fifth inning of today's second World Series game to defeat Chicago Cubs, 4-1, and bring Detroit Tigers back into the thick of the fight for the championship.

Hank's pay-off clout, the second such vital smash he had made in five days, pulled out a brilliant pitching victory for Virgil (Fire) Trucks, who just returned from the Navy in time to hurl for the Tigers in the classic. The stocky righthander kept seven Chicago hitters scattered in all but one inning and struck out four.

The score had just been tied at 1-1 in the fifth and Eddie Mayo and Roger Cramer were on base by virtue of a walk and a single when Greenberg picked out one of the curves that he liked and sent it into the lower deck of the left-center field stands at about the 380-foot mark.

With that lead to work on, Trucks bore down and sharp-broke his curve to limit the National League champions to a single hit in the last four innings, insuring they never had a chance of getting back into the ball game.

**Series Picture Changes**

As a result of the Bengals' cleanly-won triumph on fine pitching and heavy hitting in the clutch, the entire World Series picture had changed abruptly overnight. Where the speedy Cubs looked to be overpowering superior in their opening 2-1 victory Wednesday in which they knocked Hal Newhouse from the hill, the Tigers at least promised to give the four-fifths series the strength of today's showing.

A paid attendance of 53,696 sitting in Briggs Stadium in cool but comfortable weather nearly raised the roof right off the stands when Greenberg connected with the big outfielder's fourth World Series home run. He hit others in the 1934, 1935, and 1936 series, before he went into the army.

His first hit for the Tigers after he returned to the line-up last July was a homer, and his last hit of the past season was a terrific belt with the bases loaded that defeated St. Louis Browns last Sunday and clinched an American League pennant for the Tigers.

**Spotted by Effort**

His mighty arm today spotted what up to that time had been a fine pitching performance by Virgil Trucks, the right-hander who won 22 games for the Cubs in the regular season. Up to the big fifth he had limited the Tigers to a pair of scattered singles and a short ball into the left-center field.

Two were out when the Tigers

## Springhill Wins 6-4 To Square Maritime Baseball Finals 1-1

By The Canadian Press  
 SPRINGHILL, N.S., Oct. 4 — Behind the six-hit pitching of burly Len Boss, Springhill Fenciblesters downed St. Peter's Saints 6-4 here today in the first of two games of the Maritime senior baseball finals at one game each.

The Nova Scotia champs wiped out that in their half of the fourth. Dingle McLeod walked a rousing triple into deep right field and scored on a single by Neil Ross. Then catcher Art Lockhart dumped a single into left field and Lawson Fowler came up with a long, ground rule double into left field in the first half of the fourth. The final Springhill was another of the gift variety, as Fowler moved to third on an infield out and scored on a passed ball.

It was light baseball from then on, and both pitchers kept their hits well scattered to avoid troubles. Probable starting choices for the crucial game tomorrow are big Doug Ross for Saint John and lefty Lloyd Legere for Fenciblesters, with the durable Boss in reserve for any emergency.

**Score by Innings:** 000 400 0-4 Saint John 011 400 000-5 Springhill

## Greenberg, Trucks Are Given Heroes' Welcome

BY CHARLES DUNKLEY  
 BRIGGS STADIUM, Detroit, Oct. 4 (AP) — Towering Hank Greenberg, a one-man army, and Virgil (Fire) Trucks, a navy all by himself when it comes to baseball, were the centre of a conquering heroes' reception in Detroit Tigers' dressing room today after they put the Bengals back in the World Series.

Greenberg, whose three-run homer in the fifth inning sewed up the game for the Tigers, wrapped his long arms in fatherly fashion around the boyish-looking Trucks and gave him a big hug.

Photographers pleaded with Hank to give Trucks a kiss. Greenberg balked at the suggestion.

Greenberg, who returned to the club from the air force in mid season, said the ball he hit some 370 feet for his homer was the very only one he had ever hit.

He was proud of his victory, but he gave credit for clinching the series to Virgil Trucks.

Hank's home run really helped everything, he said.

Previous to joining the Tigers in Detroit last Friday, Trucks had played in only one game since returning to the United States July 22. That was with a pickup team in Oklahoma City Aug. 1. He said he had his usual control today but that he began to lose it in the fifth and sixth and that the ball seemed slippery in the eighth, when the Cubs got two runners on base, and the ninth, when he walked one out.

Manager Steve O'Neill said "I figure to throw left-hand pitching at the Cubs" in announcing south paw Frank (Stubby) Overmire as his pitching choice tomorrow, "so we can take care of Nicholson and Cavarretta. Those are the guys we've got to stop."

The Cubs trooped to their dressing quarters with no sign of the "hustle" they displayed on the field. Manager Charles Grimm broke the stiffness with:

"Well, boys, tomorrow's another day, just like yesterday."

LONDON, Oct. 4 (CP) — Bill Len Harvey, 38, Britain's best heavyweight boxer for many years, has been demobilized after six years service. He will rejoin his wife in managing a hotel at Epsom, Kent.

Harvey won the British middle, cruiser and heavyweight championships several times. He retired from the ring a few months after losing to Freddy Mills at Tottenham in June 1942. During his career Harvey fought 414 bouts, losing only 10.

Two well-known British footballers died recently. They were Bob Hawkes, 64, of Luton, and Joseph C. McAllen, of Belfast. Hawkes, a brilliant left half, gained 20 caps for Ireland in nine international matches. His first was against England in 1896. For many years he was the Irish association football for Linfield.

Jack Smith, 26, is planning a boxing tour of the West Indies, who won a £2,000 (\$9,000) Daily Mail contest in 1938, had his career cut short after when he joined the army.

Smith now is managed by Lou Walsh, who married Ben Ford. Walsh is looking for suitable opponents for his charge. Smith has no illusions about his career in the army and has no wish to rush things.

"I'll see how I get on," he told his trainer, "and don't make good if I shall stay in the army."

Smith served with the B.E.F. in France, fought his way back through Dunkerque and ended up in hospital with shellshock.

Joe Payne, Chelsea football club centre forward, may get into action with his team this season after an operation on his ankle. Three pieces of bone were removed and Payne is making such progress that Billy Burrell, Chelsea manager said, "There is a real hope that Payne will not only make a full recovery, but will be turning out for Chelsea again this season."
