TENDERS

SEALED TENDERS, addressed to the undersigned and marked "Tender for Radio Range Station, Summerside," will be received up to 12 o'clock noon E.D.S.T. Wednesday, June 20, 1945, for the construction of radio range facilities, three staff residences and a three car garage at Summerside, P. E. I.

Plans, specifications, labour conditions and form of contract to be entered into may be seen and tender forms obtained on application to the General Purchasing Agent, Department of Transport, Ottawa, Ontario, or from the District Airway Engineer, Department of Transport, Dominion Government Building, Moncton, N. B.

Plans, specifications, etc., may be obtained from either of the above officials upon receipt of a $10.00 deposit, such deposit to be in the form of an accepted cheque made payable to the Receiver General of Canada. Such cheques will be returned upon the return of the plans and specifications in good condition.

An accepted bank cheque on a chartered Canadian bank for an amount which is not less than 10 per cent of the total amount of the tender, made payable to the order of the Receiver General of Canada, must accompany each tender. Bonds of the Dominion of Canada and/or Canadian National Railways Bonds, guaranteed by the Dominion of Canada, will be accepted in lieu of, or in conjunction with each accepted cheque. In any case, the sum deposited will be forfeited if the party tendering declines to enter into contract for the work in form generally as exhibited ("Contract form Construction") at the rate stated in its tender. Cheques and/or bonds accompanying tenders will be returned to the respective parties whose tenders are not accepted.

Any tender not accompanied by a security deposit as described will not be considered.

The Department does not bind itself to accept the lowest or any tender.

A. H. McKEE, Secretary.

Department of Transport, Ottawa, May 26, 1945.

62-2i.

MASS-PRODUCED PLANES CLAIMED "FOOL-PROOF"

LONDON, June 1 — (CP) — A new light airplane, termed "almost fool-proof" by its manufacturer, will be turned out in large numbers after the war to bring private flying within the scope of the businessman.

Used for special purposes during the war the "Miles Messenger" is a three or four-seater low-wing monoplane with a 140-horsepower engine. It can take off and land in 60 yards in a five-mile wind and has remarkable climbing power which enables it to clear a 50-foot obstruction in a distance of 136 feet from takeoff.

Its top speed is 120 miles an hour and it stalls at 28 miles an hour. The plane has all-round view for the pilot.

STOCK QUOTATIONS

Stock Markets At A Glance

CHICAGO, June 3 — (AP) — Wheat and rye slipped after a firm beginning Saturday but resting demand and short covering caused a quick rally and closing prices were fractions to more than a cent higher.

WINNIPEG, June 3 — (CP) — No export business was reported on the Winnipeg Grain Exchange yesterday. More than 10,000,000 bushels of grain were sold for export during the past week including 8,000,000 bushels of wheat to the United Kingdom and around 2,000,000 bushels of oats to the United States.

NEW YORK, June 3 — (AP) — Investment demand, generally based on peace-time optimism, continued to lift assorted rails and utilities to eight-year tops in Saturday's Stock Market although late selling stemmed the upswing of the carriers and losers were plentiful at the close.

Transfers of 980,000 shares compared with 700,000 the previous Saturday were the largest for a short stretch since Feb. 3. The Associated Press 60-stock average was unchanged at 66.4 but was up .8 on the week. The utility composite moved up .3 to a new high since 1937.

IN MEMORIAM

JOHN A. GILLIS

The community of Kinross and vicinity suffered the loss of an outstanding citizen in the passing away of the late Mr. John A. Gillis in the 76th year of his age. Mr. Gillis has been in failing health for the past two years, but previous to that he had always taken an active part in the affairs of the community. He was especially interested in church work, and for many years was an elder in the Orwell Head Church. There his faithful attendance and help in many directions was always greatly valued. He was a fine neighbour and a man of splendid character. He will always be kindly remembered by all who knew him. The funeral was held in the church and was conducted by Rev. A.D. Stirling assisted by Rev. A.S. Weir. There was a very large attendance. Mr. Gillis leaves to mourn their loss —his wife, the former Annie MacDonald; also two daughters, Florence and Margaret, both registered nurses in Massachusetts, and two sons, D.J. Nicholson at Orwell Head and Wilfrid at Grandview. He is survived also by two brothers and three sisters residing in the United States and by one sister, Mrs. Scott Stewart at Kinross. The sincere sympathy of many friends is respectfully extended to Mrs. Gillis and the members of the family in their sad bereavement.

Interment took place in the church cemetery. The pall bearers were R.C. MacLeod, Malcolm D. MacDonald, A.A.J. MacLeod, S.A. MacLeod, D.A MacPherson and Ernest Martin.

ST. THOMAS, Ont., June 3 — (CP) — Fire yesterday swept through the city's largest hotel, Grand Central, and for a time threatened adjoining buildings, causing damage estimated at $100,000. All guests were able to leave their rooms but many were forced to leave their belongings behind.

New D.A.R. Manager

RETURNS TO MARITIMES: Arnold A. Dunphy, a native of Fredericton, N.B., and a transportation expert of 38 years experience, who has been named manager of the Dominion Atlantic Railway with headquarters at Kentville, N.S. He comes to the D.A.R. from the Schreiber division of the Canadian Pacific Railway.

With the photo of their brother, Major Frederick Albert Tilston 39, Canada's latest Victoria Cross winner, hanging above them, Mary and Josephine Tilston are shown here in their home at 68 Helena Avenue, Toronto, shortly after they had been informed of their brother's high honor. Thrice wounded, Major Tilston, a company commander with the Essex Scottish Regiment of Windsor, Ont., continued to lead his men against devastating fire and made possible the early breaching of the Hochwald defence line, the last Nazi bastion west of the Rhine. As the result of his wounds, both legs were amputated. — (Canadian Army Photo).
