Banquet to Glydon Family

On Halloween (last Wednesday night) a great throng of friends of Mr. Frank Glydon and his daughter, Mrs. Inez Colwill, paid a surprise visit to their beautiful home at Margate. Mr. H. D. Thompson was appointed chairman of the gathering and he called upon Mr. George E. Brown to read the following address which was accompanied by two large and beautiful easy chairs:—

To Mr. Frank Glydon and Mrs. Corbett:—On behalf of your neighbors and friends who are gathered here this evening, and others who are unable to be present, we greet you in friendship's name. We have learned with regret that you are about to leave us and make your home in another community, and we take this opportunity of expressing our appreciation of the valuable contribution you have made to our community life. You have been good neighbors, always willing to lend a helping hand in time of need. A neighbor's extremity has ever been your opportunity to play the role of the "Good Samaritan." We wish to assure you that your kind acts and innumerable tokens of friendship towards us have been appreciated, and trust our expression of gratitude, and kindly interest in your welfare will touch a responsive chord in your hearts, and that you will carry with you happy memories of the days and years spent among your friends and neighbours in Margate. Please accept these gifts as a small token of our esteem, and we assure you that they are accompanied with our best wishes for many years of happiness in your new home.

Com.—Geo. E. Brown, C. C. Baker, Wm. I. Johnson. A number of speeches were made, including a very apt and suitable reply by Mr. Glydon, after which an elaborate luncheon was served and a most enjoyable evening spent in music, contests, etc. Mr. Glydon and Mrs. Corbett removed on Sunday last to Kensington, where they will in future reside at the handsome and commodious residence built there this summer by Mr. Glydon, and while their hosts of friends will wish them long life and happiness, their old Margate friends are glad to know that they have not "gone away," but only "moved up the road a piece."

President of Toronto Ass'n

TORONTO, Nov. 3.—Maritimers numbering between 600 and 700 gathered at the Forester's Hall, Thursday night. Satisfaction was expressed over the great strides made in the last year by the Maritime Provinces Association of Toronto, and the following officers were elected: Honorary president, Hon. W. D. Ross; honorary vice-presidents, Sir Robert Falconer, Archbishop Neil McNeil, Chancellor Whidden, S. H. Logan and John A. McLeod; president, Prof. E. L. MacPhee; vice-presidents, E. M. Saunders (Nova Scotia); Dr. H. L. Britton (New Brunswick); G. Frank Beer, (P. E. I.); Executive Committee, A. R. Holmes, A. E. LaPage, Miss Blanche G. Robbins, A. C. Pyke, R. W. Burnaby; auditors, Stevens and Co.

George H. Sedgwick presided. Reports submitted by Secretary W. D. Rutherford, Treasurer Brennan and Chairman of Social Committee M. Mahon, confirmed the president's assertion that to form an association of so many varied interests had been a difficult problem but had been carried out with success. Reference was made to the bringing of 85 representative men of the Maritimes, to Toronto, for four days. The result would be far-reaching in the building up of an interprovincial trade, it was pointed out.

Announcements were made of a membership drive to bring the association to the 1,000 mark, and of an at-home, to be held at the King Edward Hotel, January 29. Pictures of Moncton, Prince Edward Island, Halifax and other parts of the Maritimes were presented through the courtesy of the Government Bureau.

(Prof. MacPhee, the newly elected president, is a son of Mr. H. A. MacPhee of Tryon, P. E. Island and visited his home here last Summer. He is on the staff of the Department of Psychology of the University of Toronto.)
