SYNOPSIS OF CANADIAN NORTH WEST LAND REGULATIONS.

ANY person who is the sole head of a family, or any male over 18 years of age, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader.

Duties—Six months residence upon and cultivation of the land in each of three years. A homesteader may live within nine miles of his homestead on a farm of at least 80 acres solely owned and occupied by him or by his father, mother, son, daughter, brother or sister.

In certain districts a homesteader in good standing may pre-empt a quarter-section alongside his homestead. Price \$3.00 per acre.

Duties—Must reside upon the homestead or pre-emption six months in each six years from date of homestead entry (including the time required to settle homestead patent) and cultivate fifty acres extra.

A homesteader who has exhausted his homestead right and cannot obtain pre-emption may enter for a purchased homestead in certain districts. Price \$20 per acre—Duties—Must reside six months in each of three years, cultivate fifty acres and erect a house worth \$200.00.

CHARLOTTETOWN and QUEEN'S COUNTY

It pays to buy in this Province. Mrs. (Conductor) Hibbert, Georgetown was in the City yesterday.

Hugh McLure, Bradshaw, County Master for Queen's County, was unable to attend its annual county meeting held at Brookfield on account of sickness in his family.

The Crystals, champions of 1910 and the Victorians meet in the last league game in Charlottetown at the Arena tonight. This will be the best game of the season.

W. Arthur Gaudet whose trombone solos have been prominent features of entertainments in this city has received from London a magnificent new instrument. The trombone was manufactured by the famous firm of Hawkes & Sons, makers of musical instruments for the British army and handsomely finished, being of triple silver plate with elaborate gold wreath.

Mr. Gaudet as Secretary of the Amateur Club received a bonus of \$50 for his services, and this amount went towards the purchase of this sweet toned trombone, probably the best of its kind in the province.

A Norboro correspondent writes:—The people of this locality have been greatly surprised by the arrival of the first snow storm. A great many people here have had a serious attack of cold. We regret to learn that Mrs. McKelvie is very ill at the home of her daughter Mrs. Walton Bowness. Miss Eliza Sharpe has returned home from visiting in Summerside. Harry Webster has returned from visiting in New Annan. Wilbert Lawless owns a speedy Parkside horse which no doubt will make it very interesting for speed owners when the racing season begins. This has been an exceptionally lucky year in the matrimonial line as Norboro has had to part with some of its most popular young ladies, and we understand before long the wedding bells will ring again.

Barrie Saturday Morning:—Since the Confederation of Canada, in 1867 there have been twenty-two bank failures, as follows:—Commercial, St. John, N. B., 1868; Commercial, Moncton, N. S., 1873; Metropolitan, Montreal, 1877; Mechanics, Montreal, 1879; Consolidated, Montreal, 1879; Liverpool, Liverpool, N. S., 1879; Standard, Quebec, 1880; Exchange, Montreal, 1883; Maritime, St. John, N. B., 1887; Pilot, St. John, N. S., 1887; London in Canada, London, Ont., 1887; Central, Toronto, 1887; Federal, Toronto, 1888; Prince Edward Island, Charlottetown, P. E. I., 1881; Commercial of Manitoba, Winnipeg, 1893; Banque du Peuple, Montreal, 1895; Ville Marie, Montreal, 1895; Banque St. Jean, 1895; Ontario, Toronto, 1906; Sovereign, Toronto, 1907; St. Stephen, N. B., 1910; Farmers' Bank, Toronto, 1911.

The young people of Vernon River Methodist Church have been very much pleased at the front of late and their most recent effort, the holding of a concert, pie and candy social in aid of the Parsonage fund came off in most excellent style in Vernon River Bridge Hall, Friday evening February 3rd. A crowded house, a representative and appreciative audience and a first class program rendered in first class style. The pastor Rev. George Orman presided. The Choir rendered several choruses to the satisfaction of the hearers. Miss Evelyn Ross gave a reading which was well delivered and much appreciated. Miss Margaret Furness whose accompanist was Mrs. A. L. Ings of Orwell, rendered two solos in her accustomed accomplished and graceful manner. Several grammatical questions by Warren Hayden were much enjoyed by all. Miss Lizzie Lea in recitation and dialogue was in splendid form in the dialogue she was associated with the brothers Matthew and Frank, the former very satisfactorily presented a Ph. tographer and the latter made a very fitting and attractive lady. Sydney Nelson, Montague, gave much pleasure by his singing. Milton Furness rendered his contributions in a way and manner most excellent. It is manifestly impossible to mention all who took part which is to be regretted, as all did so well. Miss L. Vandierstine was largely responsible for the initiation of the project and the training of those who took part. Miss Marguerite Vandierstine is an efficient accompanist and in other respects well sustained her part. John A. Melroy was the general and witty auctioneer of the piece which realized good prices. The financial result were very satisfactory and the Church officials and pastor are grateful to all who contributed in any way to that end.

Excelsior Farmers' Institute at York held their annual supper and entertainment Wednesday night. It was a grand success in every respect. About four hundred people were present, the hall in which the entertainment was held and the school house in which the supper tables, laden with choice delicacies, were laid being crowded. Addresses were given by Hon. John Richards, Commissioner of Agriculture, J. A. Clark, Superintendent of the Experimental Farm, Dr. McDonald, William Gibson, Mr. Cullen and others. The program also included solos by Miss McBeath, Mr. Gibson and others. A letter was read from Lt. Governor Rogers regretting his inability to be present.

The American consul at Charlottetown has, during the last eighteen months, secured a number of ethnological specimens and other objects pertaining to the Micmac Indians of Prince Edward Island and sent them to the Smithsonian Institution at Washington. One of the most interesting of these objects now at Washington is a prayer book in the Micmac sign or character language. Many of the signs in which this book is printed were in use by the Micmacs when French missionaries first undertook the conversion of this tribe. After the baptism of Grand Chief Memberton and many of his people at Port Royal in 1610, new characters were invented by the patient priests and in time a hieroglyphical language was constructed in which a few copies of this book are now in existence. It is believed that no Micmac Indian now living on this island is able to read the character language. Many of them can read their native tongue written or printed in the English characters.

Among the other objects transmitted by the Consul are stone axes, scapular knives, spears and a stone awl. The Smithsonian contains the largest collection of Indian objects and relics. They will be kept there for all time as objects of interest and of study by ethnologists of all countries. Our Island people when visiting the Smithsonian will now find there relics of the aborigines of their province.

VICTORIAS VS CRYSTALS TONIGHT ARENA

An Optical Pointer

There enters into the sale of every pair of glasses, an element which places the transaction outside the field of ordinary competition.

There are numbers of standard articles which can be bought in half a dozen different stores in Ch'town; if any store sells cheaper than the others, that is undoubtedly the most advantageous place to buy.

In the optical business, however, it is very different, with every pair of glasses the optician sells, is included his skill in scientifically fitting these glasses, and the "push" the latter should be by far the most important factor in the transaction. Therefore get the best service—as cheaply as you can—GET THE BEST.

Are Your Glasses Right

Vision changes as all things do with the years and the glasses that were just right a few years ago may be all wrong today. If they have outlived their usefulness, you are doing your eyes an injury by wearing them and bring on headaches and nervous disorders. Better let us test your eyes and see whether your present glasses are suited to them.
