BEDEQUE AND VICINITY

Mr. and Mrs. Andrew B. Bagnall, Charlottetown, were weekend guests among relatives and friends in this community.

Mr. and Mrs. Edward Gardiner have been spending sime time with their daughter, Mrs. Arnold MacLean and Mr. MacLean, Charlottetown.

Several of the pupils of the Bedeque School took part in the school broadcast sponsored by the M. F. Schurman Company, Summerside. They gave a good account of themselves.

Mr. and Mrs. Sinclair Affleck and family have recently moved into their new home a half-mile from this village. They purchased the property formerly owned by the late Harry Collett, and will reside there in future. Their son Lloyd, who owns the mill stand near-by, will reside with them.

The funeral service of the late Mrs. John Stuart, was held in Central Bedeque United Church on Thursday afternoon, Dec. 8th, and was very largely attended. Rev. Burton Crowe, pastor of the deceased, was in charge and delivered a touching tribute to the life of the departed. Mrs. Stuart had been the faithful and efficient organist of Bedeque Church for more than thirty-five years and retired about three years ago owing to impaired health. She was also an active member of the W. M. S., and the W. C. T. U., being a life member of the former.

A beautiful carol service, sponsored by the Bedeque Choral Club, was held in the United Church on Sunday evening, 11th. There was a large congregation. Rev. C. A. Britten, pastor of Central Bedeque Baptist Church, conducted a brief devotional period. Several Christmas carols and hymns were rendered by a choir of 25 members. The special soloists were Prof. Jones, Tryon, and Miss Frances Craig. Very interesting readings on the Christmas theme, were given by Miss Ruth Wright and Miss Catherine Craig. The whole program was very much enjoyed by all present. Prof. Jones has been conducting the Choral Club for the past two years.—W.

mentary procedure. Moved by Mrs. M. Burke, Sr., seconded by Mrs. John Gotell.

The next item of business was the report from the membership committee. This was delivered by Mrs. William Murphy, who reported that the Committee was still soliciting new members. At the wish of the meeting a permanent social committee was organized to look after the social part of each evening's program. The following were than appointed to this committee: Mrs. H. Llewellyn, Mrs. William Fitzgerald and Miss Janie Batchilder. On motion by Rev. S. J. Boyce, seconded by Mrs. E. Llewellyn, it was moved that the executive constitute the program committee. The question box committee appointed temporarily at a meeting of the executive and constituting Miss Rita Wight and Mrs. William Murphy, brought forth the questions received. It was suggested that the name of each questionnaire be placed on each question, but that the name need not be read. The various questions were read and discussed. Two of the questions brought forth considerable discussion, namely that of Fire Drill in the school and a suitable supply of drinking water, for each room.

Rev. O. Kiggins suggested that the latter question be fully investigated, and that steps be taken by this organization to provide for this need. Mrs. M. Burke, Sr., endorsed Rev. O. Kiggins' remarks. The question of the possibility of a Curfew Law was again laid aside until another meeting. Following this the social committee served tea and sandwiches which were greatly appreciated by all.

It is hoped that this will become a permanent part of each evening's program. The meeting was again called to order and Mr. J. A. B. MacConnell explained to the meeting the difficulties the teachers were having with regard to notes sent to parents asking for permission to allow children to leave school early.

In conclusion, he moved that the executive arrange with the Mayor and Council for the use of the Council Chambers as a meeting place for the Association. This was seconded by Miss Rita Wight. The meeting closed with the singing of the National Anthem.
