The recital in the Presbyterian church, Summerside, last night under the direction of Professor Hutchings of the First Church, Truro, was a grand success and was attended by a very large audience. The church deserves great credit for procuring the services of such a talented musician as Prof. Hutchings and his performance on the large pipe organ were superb and greatly appreciated. The professor fully demonstrated the excellent qualities of the organ. Two sacred solos rendered by Fred McSweeney, a member of the choir, were excellently given and added much to a most enjoyable evening.

Once more we bid Old Santa welcome, with his cherry countenance and his packs of beautiful dolls, toys and fancy goods. We anticipated his visit, as we have for the past two weeks been receiving large cases, bales and bundles, containing the most lovely things imaginable.

Direct from the Old Country we have just received thousands of dollars worth of goods of all kinds, suitable for the holiday trade. These include fashionable dress goods, handsome linens, umbrellas, handkerchiefs, laces, hosiery and many other things that we shall tell you of later.

Besides these there are numerous fancy lines including neck wear, belts, gloves, Gentlemen's furnishings &c. In fact we are splendidly prepared with a bright new stock in all Dept's.

In a few days everything will be so beautiful as to please even fastidious old Santa.

Notice To DEBTORS

We have just sent out our monthly account and respectfully request a prompt settlement of same.

To the great majority of those having accounts with us this notice is sufficient, but there is another class to whom we refer principally, viz those having accounts overdue for the past year or more, and who neglect to make any provision to meet them.

All such accounts, if not settled on or before the 10th day of December, will be sued for. This to be regarded as a final notice. We would strongly advise a prompt settlement in order to avoid law expenses.
