T C A Appointment

Moncton, July 21 — The appointment of Stephen Moriarty as passenger agent at Lakeburn Airport here has been announced by R. Sellors, district traffic and sales manager, Trans-Canada Air Lines. Mr. Moriarty's appointment is effective immediately.

Winnipeg Grain

WINNEPEG, July 21 — (CP)—Coarse grains generally showed an easier tone today on Winnipeg Grain Exchange, reflecting most favorable crop reports and further good rains in sections of Manitoba and Saskatchewan.

Hedging expanded, along with other selling by eastern interests and commission houses. Some limited demand came into barley and to a minor extent in oats, but was not sufficient to rally the market.

Rye futures also sold off in response to the favorable crop conditions. Commission houses were on the selling side.

Steel Products To Advance In Price

TORONTO, July 21—(CP)—Steel company officials here said today prices of finished products will rise 15 per cent in the wake of United States steel price boosts announced today.

United States Steel Company finished steel prices rose to an average of \$9.34 a ton to compensate for a nine per cent wage increase granted employees last Friday.

Company officials here said Canada's price rise would be comparatively higher than the United States increase because of other factors, including freight rate increases.

Higher prices would be reflected in such products as automobiles, refrigerators, stoves and electrical equipment. One official estimated the increase would amount to at least \$1 to \$2 on a stove using 200 pounds of steel.
