With a beautiful writing desk: Dear Miss Lavers—It is with sincere regret that we have learned of your intended departure from our settlement, and we have taken this opportunity, on behalf of the residents of Bangor, of showing our appreciation of your service by presenting you with this small gift.

Toronto Man Cured of Intolerable Itch

Mr. J. E. Hooper, Toronto.

"I just want to say a good word for Cuticura Soap and Ointment. Four or five years ago I was in Port Arthur, and I had an attack of the itch. It certainly was an intolerable nuisance. The itching was principally at night, and it would guarantee to cure me. He told me to take a hot bath, use Cuticura Soap, and then apply Cuticura Ointment. I took his advice, and sure enough the itch vanished. I had probably been troubled with the itch for two or three months before I tried Cuticura Soap and Ointment, and they completely cured me of that intolerable nuisance. After one warm bath with Cuticura Soap and use of the Cuticura Ointment I was never troubled with the itching again. Anything in this testimonial I would be prepared to swear to in a court of law. Signed, J. E. Hooper, 288 Parliament Street, Toronto, Jan. 10, 1911.

ham sees that the Queen takes a seat while he himself stands. The Carr as all the Russians is by no means as tall as his consort and Alfonso of Spain is said to be a head shorter than Queen Victoria Eugenie. The King of Italy hardly reaches to the shoulder of his Montenegrin wife. The Queen of Denmark, too, is taller than her husband. Exceptions are the King of Norway and the King of the Belgians. The latter, six feet two inches in height is the tallest ruler in Europe.—Harper's Weekly.
