CHANGE OF CLIMATE DID NOT HELP

But GIN PILLS Conquered His Rheumatism

THE fact that men of standing and responsibility do not hesitate to come out and state frankly how much good GIN PILLS have done them, speaks volumes for this good old remedy.

Mr. W. G. Reid, of Hamilton, whose statement we publish below, with his permission, is one of the best known commercial men in Canada. His many friends throughout the country will be delighted to learn that he is quite himself again. He says:

"I have been for the last two years a cripple with Muscular and Inflammatory Rheumatism. I have tried almost everything known to medical science to relieve me of the intense pain and inflammation. I sought change of climate in Kentucky and other Southern points without relief. Your manager in this city recommended GIN PILLS and I have since taken eight boxes and am now cured. I consider GIN PILLS the conqueror of Rheumatism and Kidney Disease".

(Signed) W. G. REID.

Muscular and Inflammatory Rheumatism, Lumbago, Sciatica and all other troubles arising from weak, inactive or diseased kidneys, have little chance against GIN PILLS.

The curative properties in these pills go straight to the root of the trouble—the failure of the kidneys to keep the blood free from the irritating Uric Acid which is continually being formed in the body. GIN PILLS help the Kidneys to perform this function properly, and the train of troubles vanish.

Just try it and prove it to your own satisfaction. There is no risk—money back if GIN PILLS do not help you.

Had Rheumatism

WAS CONFINED TO HIS BED FOR FOUR MONTHS.

Mr. W. H. Riley, Ruddell, Sask. writes:—"It is with the greatest o pleasure that I can recommend Doan's Kidney Pills to all suffering with rheumatism. I was so bad with this terrible disease, I was unable to get up from my bed for four months, and nothing seemed to relieve me until a friend recommended Doan's Kidney Pills. I had my doubts about them, but was so desperate I would try anything suggested to me After taking half a box I was able to get up, and after taking two boxes could get around quite well. After taking six boxes I was completely cured, and able to work for the first time in five months and have not had a touch of rheumatism since. Anyone who saw me then would not know me now, as I am strong and active since taking your valuable medicine."

Rheumatism is caused by the presence in the blood of uric acid, and the kidneys not working properly is the sole cause of this, and unless you remove the acid by flushing the kidneys, there is no possible chance of getting rid of rheumatism.

Doan's Kidney Pills help the kidneys to flush off the acid and poisonous impurities which have collected, and thus clean out the kidneys, and dispel the rheumatism from the system.

Doan's Kidney Pills are 50 cents per box, or 3 boxes for $1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

In ordering direct, specify "Doan's."

WOMAN AND DAUGHTER KILLED

CRIPPLE CREEK, April 30.—The charge of nitro-glycerine which wrecked the home of James Bacon, former member of the Colorado legislature, yesterday, killing his wife and six-year-old daughter, and probably fatally injuring Bacon himself, was placed in the cook stove by enemies of the family, according to the belief of the authorities.

Bacon, who is lessee of several mines, is reported to have recently referred to some fellows laying for him, and it is said Mrs. Bacon on last Saturday endeavored to sell their home, explaining that she feared her husband's enemies.

MAN NEAR YARMOUTH BURNED TO DEATH

YARMOUTH, N. S., April 30.—James Crawford, living on Starr's Road, Yarmouth, left his home to walk to Salmon River, about six miles. His wife came to town to attend a Salvation Army meeting taking the keys with her. Mr. Crawford returned first about ten o'clock, crawled through the window, lighted the lamp and in some way upset it setting the house and his clothing on fire.

Mrs. Crawford returning shortly after, found the fire and attempted to remove Mr. Crawford, but his clothing fell off. She called neighbors and he was carried out badly burned and a doctor came but Crawford died within two hours.

In the Spring the Blood is Thin

The body of man can be influenced in health or disease only through the medium of two channels—the blood and the nerves.

When the blood is thin and watery, as it usually is in the spring, the nerves are starved and depleted, and every organ in the human body is less capable of performing its natural functions.

The action of the heart weakens, breathing is weaker, the gastric juices of the stomach do not flow regularly, the liver, kidneys and bowels are less active, and in fact the whole body falls an easy victim to disease.

Dr. Chase's Nerve Food goes directly to the formation of new, rich blood, and on this account is a restorative of exceptional value. You can scarcely conceive of a treatment better suited as a spring tonic to enrich the watery blood and put new vim, vigor, and energy into every part of the human body.

There is no trouble from headaches, neuralgia, sleeplessness, irritability, nervousness and despondency when the nerves are properly nourished with an abundance of pure, rich blood. The use of Dr. Chase's Nerve Food is the most certain means of getting the blood into perfect condition.
