Look After Your Cook's Reputation

Provide your cook with the best flour—"North West Gem"—and she will delight you every time she bakes, with the lightest, whitest, tastiest, most wholesome bread and buns that have ever entered your mouth.

The strength of "North West Gem" Flour is not destroyed or the flavor impaired by the "electrical bleaching process," which is often resorted to for an All Manitoba wheat flour in order to attain the desired color.

Because of the high quality of wheat we use, we get the rich, creamy white color without any "doctoring" whatever.

Many other flours may be a trifle cheaper, but "North West Gem" is so much stronger—makes so many more loaves to the barrel—that it is far more economical in the end.

Buy it from the better class of dealers.

Brant-Wood Flour Mills, Limited, Brantford, Canada.

Dear Sirs,—I had a Bleeding Tumor on my face for a long time and tried a number of remedies without any good results. I was advised to try MINARD'S LINIMENT, and after using several bottles it made a complete cure, and it healed all up and disappeared altogether.
