ADDRESS AND PRESENTATION - A very pleasing affair took place at the home of Mr. and Mrs. Harold Yeo, Union Road, on Wednesday evening, January 18 when Mr. and Mrs. Lloyd Gillespie, who are new settlers in the district were presented with a nicely worded address accompanied by an Aladdin Lamp and silver ware. Mr. Harold Yeo and Miss Tillie Prowse escorted Mr. and Mrs. Gillespie to the seat of honor while Miss Ruth MacKinnon read the address. Mr. George Newman presented the gift. Lloyd on behalf of his wife replied in a pleasant manner thanking his donors for their kindness. After singing "For they are Jolly Good Fellows", the remainder of the evening was spent in music and social intercourse after which a dainty lunch was served by the hostess and ladies of the community.

BONSHAW BIRD CLUB - The regular meeting of the Junior Audubon Bird Club of Bonshaw was held on January 27th with the president Maxine Salmond presiding. The Roll Call was answered by impersonating and describing the call of a bird. Roll call for next meeting was to be answered by giving the name and markings of a butterfly. A committee was appointed to prepare the feeding station for winter birds. The study period was led by Miss MacDonald. The members of the club studied. It was decided that a study of the Canadian Yellow Throat be taken up for next meeting. Leaflets on the Yellow Throat were distributed by the secretary, Shirley Crosby. A short program was presented by the program convener, Constance MacLeod. It was decided that at the next regular meeting a valentine program would be arranged. Meeting closed by singing the National Anthem.

## STOMACH TROUBLES Often Due To Constipation

HOW TO GET WELL One quick aid for an ailing stomach is Dr. Hamilton's Pills. Many people use no other medicine. "I was a constant sufferer from constipation and sick headaches," writes G. Slater from Calgary, "and for two years felt so sick and miserable I would cheerfully have died. A friend of mine sent me Dr. Hamilton's Pills and they did wonders for me. Indeed they saved my life. They have ended my headaches, given me a fine healthy complexion, increased appetite and have made me well."

## Scout News and Notices

Mr. Ralph Johnson left on Monday the 30th instant, for Summerside where he will assist in organizing the District Council for Prince County. Before returning to Charlottetown Mr. Johnson will visit Scout Groups at O'Leary, Tignish and Borden.

Following is a list of those taking part in the Scout Master's course recently put on in Summerside by Mr. Johnson: R. L. Mollison, W. A. Curran, C. Wilson, C. Johnson, E. McDonald, Geo. Lewis, A. Brennan, A. R. Brennan, Ken Bell, Reverend Father Kelly, J. McNeill, L. McDowell, George McNeill, Reverend Wm. Verwoil, G. Matthews, F. Matthews.

1908 saw the beginning of Scouting in Canada. Who is the Chief Scout for Canada?

In 1908 there was a great stir in scouting in every Province of Canada. What caused it?

Take the opportunity, these winter nights, to do some star-gazing. Start with the Pole Star. How do you find it? The two stars forming the lip of the Big Dipper (there is a little dipper) point to the Pole Star. In fact they are called pointers. If you are still doubtful, remember that the Pole Star is the handle of the handle of the Little Dipper. On that side of the Pole star opposite the Big Dipper, you will find a group of stars shaped like a very rough W. This group is called Cassiopeia or the Lady in the Chair. At present it is slightly West of North in the evening, and seems to be standing on ocean. The Pole star is about half way between this group and the Big Dipper.

During his recent stay in Summerside, Mr. Johnson visited the Wolf Cubs of 1st and 2nd Summerside Groups. His report shows that satisfactory progress is being made.

The members of the Summerside Scoutmaster's Course had an opportunity of witnessing an investiture, when Mr. Johnson, acting for Scoutmaster C. Whalen who was unavoidably absent, carried out an investiture of four new chums.

Each member of a Patrol is expected to study the life and habits of the Patrol bird or animal and be able to imitate its cry. For that reason, choose a bird or animal native to your district. A Boy Scout in Prince Edward Island would have a hard time trying to study the habits of a kangaroo or an ostrich.

A Boy Scout promises, on his honour, to do his best to "Do his duty to God and the King, to help other people at all times and to obey the Scout Law". It wouldn't do the world any harm if everyone made this promise and KEPT it.

A Boy Scout is a woodman not a lumberman. He wants to see trees living and growing. He remembers that it takes nature fifty or more years to replace a tree cut down by man in a few minutes. The Boy Scout does not cut living trees. He gathers fallen wood for his fires.

A Scout is a friend to all, and a brother to every other Scout. This is not just something to be recited on occasion, but something to be a part of our lives. Let us make this part of the Scout Law one of the foundation stones of the Boy Scout Movement.

Some hints for winter hikes: - Birds, which birds are winter visitors, which remain with us all year. Make drawings, or casts of tracks. What do they feed on in winter? Trees, learn to recognize deciduous trees in winter by shape, bark, general appearance. How many different evergreen trees grow in Prince Edward Island? Weeds, photograph against snow, take samples, learn names of birds, eat seeds, make list of birds eating any particular seed.

Scoutmaster Vince King of 12th Charlottetown Sea Scouts tells me that he has cards for a game which makes learning the Signaling Alphabet a pleasure. This troop has a hockey team which hopes to engage in games with other Scout teams. The Group Committee has very kindly donated pads and skates. Scouts are busy decorating their quarters. A log book was also donated by the committee. The snipe has been overhauled and is now ready for the summer cruises. The following new chums have joined the troop: Joe Kayes, Walter Casford, Frank MacDugan and Amy Weatherlie. We extend a hearty welcome to the new Sea Scouts.

Millions Unclaimed In Canadian Banks

OTTAWA, Feb. 3.—(CP)—Nearly 120 years ago on Sept. 28, 1819 to be exact—a Montevideo, named J. Armour left \$10 with the Bank of Montreal, and there the money has lain ever since. Mr. M. M. or Miss Armour—the sex and state of the depositor is not named in the annual statement of unclaimed bank balances tabled by Finance Minister Dunning in the Commons today—must have come to his or her reward generations ago, but the Bank of Montreal never year after year that the \$10 still awaits a claimant. Total balances lying unclaimed for five years in the chartered and other Canadian banks at the end of 1938 amounted to \$2,925,438.50. The Armour account is the oldest, but a close second is a
