THE Moncton Times thus describes the performance given there by Ross who was in the Market Hall in Charlottetown a short time ago:—The exhibition given at the opera house last night by Capt. Duncan C. Ross and the so-called "world's greatest gladiators" was considerable of a disappointment to the sports. Capt. Ross was hardly in a fit condition to give a decent exhibition of any kind consequently the wrestling bouts and sword exercise, in which he figured did not arouse much enthusiasm, here were boxing bouts between some of the smaller "gladiators", singing of a kind and considerable talk by Capt. Ross. This made up the principal part of the program although the audience took a hand in occasionally by whistling the Dead March.

THE Brotherhood of Derry, Loyal Orange Lodge, No. 1160, Canoe Cove, held their annual Church Parade and service in Long Creek Baptist Church on Sabbath Oct. 12th. A most pointed and practical address from Rev. Addison F. Brown, was listened to with pleasure. At three o'clock the members, some fifty in number marched into the church headed by the pastor, and took the middle pews that had been reserved for them, the choir rendering in splendid form the well-known "Praise God from whom all blessings flow," in which the crowded congregation of many denominations heartily joined. During the whole service hymns were appropriately those that were familiar to all, and led by an unusually good choir were sung with stirring effect by all present. The worthy pastor took for his text Psalm 33, 12, Blessed 's the nation whose God is their Lord. The Rev. gentleman was proud to address them as an organized body who stood for the protection of an open Bible and to stand fast for the religious liberties which our forefathers fought, bled and died for. After service was over the members, again headed by the pastor, marched to the hall where he received a hearty vote of thanks. May the Rev. gentleman be long spared in our midst that we may have the pleasure of listening to him on future occasions.—Com.

Will Interest Everybody.
Or At Least Everyone Who Suffers From Catarrh.

Catarrh in its various forms is a national disease, and the fact that nearly everybody suffers from it more or less leads many to neglect its proper treatment. Nasal catarrh is a common cause of head aches, destroys sense of smell and if neglected reaches the throat, causing impairment and sometimes total loss of voice. Bronchial catarrh leads easily to consumption. Catarrh of stomach and liver are very serious and obstinate troubles, while it is now generally admitted that catarrh is the most common of all causes of deafness.

All of the more serious forms of catarrh begin with nasal catarrh the local symptoms, being a profuse discharge, stoppage of nostrils, irritation and frequent clearing of the throat, sneezing, coughing and gagging. The old style of treatment with douches, inhalers, sprays, salves, etc., simply give temporary relief and everyone who has used any of them knows how useless they are and their inconvenience is such that very few have the time or patience to continue their use.

A radical cure of catarrh can only be obtained from a treatment which removes the catarrh taint from the blood because no one will now dispute that catarrh is a constitutional or blood disease, and local applications can have no effect except to temporarily relieve local symptoms.

A new remedy which has been remarkably successful in curing catarrh is a pleasant tasting tablet which is taken internally and acts upon the blood and mucous membranes. It is composed of antiseptic remedies like Red Gum, Blood root and similar cleansing specifics which eliminate the catarrhal poison from the system.

The tablets being pleasant to the taste are dissolved in the mouth and thus reach the throat, trachea and finally the stomach and entire alimentary canal. They are sold by druggists everywhere under the name of Stuart's Catarrh Tablets.

If desired, when there is much stoppage of the nose, the tablets may be dissolved in warm water and used as a douche in addition to internal use, but a douche is not at all necessary. A few dissolved in the mouth daily will be sufficient. Dr. Ainelee says: "The regular daily use of Stuart's Catarrh Tablets taken internally will cure the whole catarrhal trouble without resorting to the inconvenience of a douche or an inhaler."

They seem to give a healthy tone to the whole mucous membrane and it is really remarkable how soon they will clear the head and throat of the unnatural and poisonous catarrhal secretion.

Stuart's Catarrh Tablets is undoubtedly the safest, most palatable and certainly the most efficient and convenient remedy for any form of catarrh.
