HULL, QUE., Dec. 24th, 1909 "For the past twelve years, I had painful attacks of Dyspepsia. I could not digest my food and everything caused the most agonizing pain in my stomach. I also had a fearful attack of Constipation and at times I had no movement of the bowels for two weeks. Three doctors attended me for two years and gave me all kinds of medicine but did me no good. My weight came to only 80 pounds and everyone thought I was going to die. Finally, I had the good fortune to try 'Fruit-a-tives' and as soon as I began to take them, I felt better. I persisted in the treatment and to my great joy, I steadily improved. Now I feel very well, weigh 115 pounds, and this is more than I ever weighed even before my illness. I attribute my cure solely and entirely to 'Fruit-a-tives' and can never praise them too much for saving my life. To all who suffer from Dyspepsia and Constipation, I recommend 'Fruit-a-tives' as a miraculous remedy."

on which Berger's Arsenate of Lead may not be safely sprayed. A small quantity of the spraying liquid is fatal to all leaf-eating insects, yet is harmless to even such delicate growths as peach trees—because of its freedom from water-soluble Arsenic.

Not only does it cling more tightly to the leaf, but it remains active longer than any other similar material—for months, in fact, after spraying.

It is the most economical Insecticide there is.

The NEW ZION.—It is understood that the old Zion Church, purchased by St. Dunstan's congregation will be handed over to the latter, Sunday after next, when the people of Zion will meet in the basement of the new building.

LARGE FUNERAL.—The funeral of the late Jacob Cummings, Clyde River, was largely attended, the following acting as pall-bearers: T. P. Cass, John Walker, John Collins, D. C. McKinlay, Hector Murchison, Roper McInlay. The hymns sung by the choir of the Baptist Church were: Nearer My God to Thee, Shall We Gather at the River, When I Can Read My Title Clear.

EVANGELISTIC SERVICES have been held in the Baptist Church at Clyde River for the past five weeks, with gratifying results. The church has been revived and seven converts have been received for baptism. The meetings have been conducted by the pastor, Rev. C. S. McLearn, assisted by Mrs. McLearn, also by a sermon of notable interest and power by Rev. Z. L. Fash, Charlottetown. It is expected that the P. E. Island Baptist quarterly meeting will convene with this church on 25th and 26th inst.

SURPRISE PARTY.—Last Friday evening a large number from the Clyde River Baptist Church paid a visit to Pastor and Mrs. McLearn at the parsonage, North River. The evening was pleasantly passed in conversation interspersed with readings by Miss Alvina Murray and John Murray, song by John Heartz and singing by the company. A bountiful collation was served by the ladies. After expressions of mutual esteem and good wishes and prayer, the party dispersed, leaving the parsonage larder, cellar and granary well supplied with good things.

SOCIAL.—The W. F. M. Auxiliary of North Rustico held a social at the home of Hammond J. Toombs on Thursday evening, March 6th. The weather being favorable, upwards of two hundred people were present. Refreshments were served during the evening and a collection taken in aid of Missionary work. The following program was rendered and much appreciated: Opening chorus, The Old Rustic Bridge—Choir; Recitation, Changing Colors—Hazel Houston; solo, Just as the Sun Went Down—E. J. McKenzie; reading, At Winnipeg Station—Mrs. B. Woolner; male chorus, Some Day I'll Wander Back Again—Messrs. McKenzie, Woolner, LePage and Toombs; recitation, A Sale of Bachelors—Hilda LePage; solo, The Lost Chord—Mabel Woolner; reading, A Bad Mistake—Ella Toombs; solo, Don't Let the Old Folks Know—B. Woolner; recitation, My Ideal of a Man, Lottie Houston; solo, Daddy—Mrs. J. Stirling; reading, Becky's Bargain—Bette Toombs; closing chorus—Only One Daisy Left—Choir.

GOOD CONCERT.—The trustees of the Pownal Methodist Parsonage are to be heartily congratulated on the success of the concert and basket social held in the Pownal Hall on Monday night. All agree that it was the most successful gathering of the kind ever held there. The gross proceeds, up to date amount to \$103. The trustees had put the arrangements into the hands of two strong committees—a business committee and a program committee—to both of which the greatest credit is due. Every part of the circuit was represented on these committees, and the result of the concert was a live interest, and every part of the circuit was well represented in the overflowing attendance. So crowded was the hall that many had to be accommodated on the platform. The writer will not begin to describe the excellent program. Suffice it to say that it included the best local talent—including both well-known favorites and some debutantes. In addition to this some members of the committee had enlisted the sympathy and help of some of Charlottetown's favorite singers and reciters whose contributions were much appreciated. Ingratitude would be complete though the report would not if the writer omitted to mention the invaluable services of Mr. (Jack) Macdonald who, at great personal inconvenience, attended and auctioned the baskets. It is a great thing to know one's business, and it is a great thing to know the people one has to deal with. It was evident that Mr. Macdonald knew both, a fact which provided a valuable factor in the success of the gathering. The trustees are grateful to all who in any way helped towards these splendid results.

Our Cream of Violets and Witch Hazel is a fine article for chapped, rough and burning skin. The latter firm is to be congratulated on securing Miss Baker's services. Her friends in Summerside while they regret her departure wish her every success in her new home. J.
