Let Your Family Be the Jury — DOUBLE YOUR MONEY BACK if They Don't Agree

When they make this taste test they'll give the verdict Libby's Tomato Juice. If they don't agree that it is the best they've ever tasted, you'll get double your money back by simply returning the labels to Libby's.

Libby's Tomato Juice has a distinctive garden-fresh flavour because for many years Libby's have been selecting the choicest tomatoes from each season's crop

and extracting the seed for the succeeding year. As a result Libby's tomatoes are smooth, thin-skinned and laden with invigorating juice and the health-giving Vitamins A and C. Libby's patented "Gentle Press" method extracts the goodness and full, rich flavour.

Yes, taste does tell—and it will tell every member of your household why Libby's is Canada's biggest-selling Tomato Juice.

Libby's Patented "Gentle Press" Process is also used in making Libby's Catchup and Tomato Soup. Please note: Canada's pack of Tomato Products is adequate—there is no reason to buy more than your immediate needs.
