Kidney Disease and Backache

Mr. John Guheen, who is in the Fish Business at Port Hope, states:—"In my business I do a great deal of driving over bad roads and the constant jar of the rig along with exposure to all sorts of weather brought on kidney disease. I was in miserable health and suffered a great deal with sharp pains in my back. I heard of Dr. Chase's Kidney-Liver Pills and decided to try them. Before I had used all of the first box I felt better and three boxes have entirely cured me. I am very glad of an opportunity to recommend Dr. Chase's Kidney-Liver Pills for I have proven their wonderful control over kidney disease."

It seems unwise to waste money and run the risk of experimenting with new fangled, untried remedies when you know that Dr. Chase's Kidney-Liver Pills will cure you. One pill a dose, 25c. a box, at all dealers, or Edmansson, Bates & Co., Toronto.
