

NOW I AM WELL
THANKS TO "FRUIT-A-TIVES"

Eli, Manitoba.
I wish to state, for the sake of others who may be sufferers like I was, that I suffered from severe indigestion and constipation for years and that there was also womb trouble with unpleasant pains in my back which made me miserable, constantly. I tried physicians and took many remedies but I got no relief. I was induced to try "Fruit-a-tives" and I can truly say this was the first medicine that ever did me any good. "Fruit-a-tives" quickly relieved the constipation and indigestion and completely cured me of all symptoms of womb trouble. I cannot express too strongly my great gratitude to this medicine as I am as well now in every way as ever I was, thanks to "Fruit-a-tives". I can strongly recommend "Fruit-a-tives", it is easy to take and the effect is always mild like fruit.

(Sgd) Mrs. M. BRILLAND.
Many women suffer with what the doctors call "Womb Trouble"—"Diseased Ovaries"—"Female Complaints" etc.—when Constipation is causing all the pain. Cure the liver and make the bowels move regularly with "Fruit-a-tives" and the "Womb Trouble" will be cured at the same time. "Fruit-a-tives"—or "Fruit Liver Tablets" are sold by dealers at 50c a box—6 for \$2.50—or will be sent on receipt of price. Fruit-a-tives Limited, Ottawa.

OLD AGE PENSIONS

John Burns, M.P., Tells Of The Conditions In London

LONDON, Feb. 3.—Participating in the debate in the House of Commons last night on the question of the unemployed, John Burns, of the local government board, and Labor leader in the house, denounced the unscientific distribution of religious philanthropic and private charity, which he declared was usually misapplied and diverted to the wrong persons. He told one of his own experiences recently when after an official function, he joined two thousand of the unemployed on the Victoria embankment. "I was in my court dress," he said, "but pulled my bowler hat over my eyes and looked miserable, and got my bowl of soup and hunch of bread." Mr. Burns admitted that pauperism in London is on the increase and said it would continue to grow as long as indiscriminate charity prevailed. Mr. Burns moved the rejection of an amendment to the address regretting that the king's speech had not recommended legislation dealing with the unemployed question and the amendment was defeated by 195 to 146. An incidental remark made by Mr. Burns during his speech that the scheme of Herbert H. Asquith, the chancellor of the exchequer for old age pensions, would provide for a million people attracted much attention afterwards. Nothing hitherto had leaked out with reference to the intentions of the government, but it was generally assumed that it would propose a pension of five shillings weekly in certain cases. If so Mr. Asquith's scheme would entail the annual expenditure of £13,000,000 (\$65,000,000).

ADDRESS AND
PRESENTATION

To Rev. A. D. And Mrs Stirling Of Kensington By His Congregation

A reception was held at the Mansie Kensington recently. The extreme cold prevented some from attending but notwithstanding, the attendance was large. The warm attachment of the congregation to Mr. and Mrs. Stirling was manifested by all present. William Brown in a happy speech called the company to order. After singing "Blest be the tie that binds" George Brown then read the following address:—
Rev. Mr. and Mrs. Stirling:—
We wish on this occasion to express to you our kindest regards, and sincere hope that your lives may be long spared, and that heaven's richest blessings may daily surround you as you journey together through life. As we are gathered here this evening, our thoughts naturally go back over the period since you became our pastor, and in these years we have been learning the value of a true man.
Each of us have found in you a true friend and a faithful pastor. Your presence amongst us has been an inspiration to a higher life. Your kindly disposition and words of encouragement have helped us all. We should indeed be ungrateful if on this happy occasion we refrained from uttering a word of appreciation and encouragement.
We feel justified in saying that the moral tone of the whole community has been elevated and strengthened through your influence and example. Forces of evil have been attacked fearlessly without regard to popular applause or condemnation, and victories have been won for the cause of truth and righteousness.
The past, to us at least, has been all that could be desired, and now that you have a worthy partner to share the burdens and double the joys of your life, shall we not look forward to even better things in the future.
Again we tender you and Mrs. Stirling our best wishes and assure you ever a warm place in our hearts and in our homes.
Please accept this side-board and accompanying purse as a small token of our love and esteem for you and Mrs. Stirling.
Signed on behalf of the Kensington congregation.
George E. Brown.
Archd. R. McMurdo.
John G. Townsend.
Donald McKenzie.

William Brown.
J. Bradford McArthur.
George Murray.
James W. Stewart.
John A. Hogg.
Mr. Stirling made a fitting reply acknowledging the loyalty and kindness of his people which in a large measure made possible the encouraging success he had in his labor since coming among them three years ago.
He thanked the people most warmly in behalf of Mrs. Stirling and himself for thus sharing their joy on this occasion and for the elegant and valuable gift presented.
Other beautiful presents were given, including easy chairs, music cabinet, parlor lamp, carving set, silver cake stand and crystal, etc.
The remainder of the evening was joyously spent with music by the choir, speeches, games and social intercourse.
Before separating all partook of the generous repast provided by the ladies. The joyous evening was ended by singing "God be with you till we meet again."

Mr Fielding Brings Down Supplementary Estimates For North West Seed

OTTAWA, Feb. 4. (Sp.) Hon. Mr. Emmerson was told by Sir Wilfrid that passes were issued to P. S. Archibald and family last year by the I.C.R. in accordance with the usual courtesies extended by one railway system to another. Mr. Archibald being General Manager of the Elgin and Havelock Railway pass was issued in June to Mrs. Harris, daughter of Mrs. P. S. Archibald and in August and November trip passes were issued to Mrs. P. S. Archibald.
Finance Minister Fielding brought down supplementary estimates for \$2,850,000 to enable the Government to make advances to Alberta and Saskatchewan of purchase and loan of seed grain to settlers.

SURE CURE
FOR SCIATICA

Sciatica is really inflammation of the sciatic nerve, the largest nerve in the body.
This passive inflammation is the product of a run-down condition, and in every case you may be sure the nerves are worn down fine.
The pain is the cry of the nerves for more food—for richer, redder blood.
Rubbing on a greasy liniment can't help very much—you must treat the blood and rebuild the nervous system.
This can be promptly done with Ferruzone.
No builder of nerve force is more powerful.
No tonic so quickly fortifies the muscular system, imparts such strength, such endurance and vigor.
Any traces of Uric Acid and rheumatic poison are quickly driven out by Ferruzone. The lowered condition of the system is changed into a reserve of vigor that defies further attacks of Sciatica.
Marvelous in its reconstructive and rebuilding power, quick to give relief, absolutely sure to cure—where you find a better treatment than Ferruzone? Sold by all druggists in 50c. boxes; try Ferruzone.
When who?

THE KNOW EDGE
OF TUBERCULOSIS

The Inner Secret Of The Dread Disease Are Being Discov red

NEW YORK, Feb. 3.—Men know better now, and in that knowledge there is much hope of victory over the destroyer (tuberculosis). They know its origin as surely as that of any malady. They understand its nature. They have learned that the old theory of inheritance is by no means universally or generally true, but that in a highly important respect it is radically untrue. They know that the disease is not incurable, but that in its early stages it is often entirely curable and in many more cases is susceptible of being checked and greatly alleviated. They know that the dangers of infection are really greater than those of inheritance, that cold climates are often preferable to warm ones for the patients, and that the open air, instead of being injurious, is highly beneficial. The mask of mystery has been stripped from the disease, and while the monster behind it is found to be indeed a terrible thing its real nature is perceived and the means of combating it successfully are disclosed.

WHY CATARRH IS DANGEROUS. Usually it comes with a cold. Being slight it is neglected—but the seed is sown for a dangerous harvest, perhaps consumption. To cure it at once, inhale Catarrhose. It destroys the germ of Catarrh, clears away mucous, cleanses the passage of the nose and throat, the hacking cough and sneezing cold soon disappear, and health is yours again. Nothing known for colds, catarrh and throat trouble that is so curative as Catarrhose. It cures by a new method that never yet failed. At all dealers 25c and \$1.00. Get Catarrhose now, to-day.
