Do You Understand About Drugs

The old style drug store was a place where little attention was paid to the care of stock.

Drugs of unknown value came in, were put in stock and left there perhaps for years before sold and had lost any value they may have had.

Our kind of a drug store is one where the finest drugs only are bought. They are inspected on arrival and rejected if not up to our standard. While in stock they are properly protected against deterioration.

You must trust some one as to the quailty or drugs—why not trust us. You want pure, fresh drugs—we have them.

May we supply yeur drugs

Notice to Farmers

We now have buyers at all the principal shipping points and farmers having hogs to offer should write or see us before selling elsewhere. It is important that more attention be given to handling and preparing hogs for market. Too many hogs are brought to market poorly butchered and in many cases not properly cleaned and scalded which necessitates a lot of extra work in preparing the meats for market.

Farmers should remember that appearance as well as quality is important. Hogs when killed should be allowed to hang in a cool place for twenty-four hours before being brought to market. Attention to these matters will be to the mutual advantage of farmers and packers.

Increase Your Weight Restore Lost Strength Prevents Illness

Every day come new converts to that great army of men and women who rejoice in new-found health that came to them through the use of that wonderful blood-renewing preparation called "FERROZONE." Very simple how it acts. All you have to do is take two small chocolate-coated tablets with a sip of water at the close of each meal.

Ferrozone is a marvel. It contains just what thin blood lacks— lots of iron, but mark you, the kind of iron your blood is able to absorb. Ferrozone puts life and vim into the blood. Makes it rich, red and nourishing. Naturally the body is better fed and grows stronger day by day.

Of course digestion must be improved, and probably the stomach will require aid as well. Ferrozone serves the purpose admirably. Those who use it, enjoy appetite and digestive powers far beyond the ordinary.

That tired feeling is replaced by the buoyant joyous sensation of health and vigor. Day by day as your strength increases, you feel new energy surging through the veins, and know that a great tonic of great merit is at work.

No remedy more nourishing or uplifting, no treatment so sure to bring lasting health, good spirits and contentment. Ferrozone contains just what run down folk need! it cures because it supplies more nutriment than you can get in any other way. 50c. per box or six boxes for $2.50 at all dealers, or by mail from The Catarrhozone Co., Kingston, Ont.

HOGS

In conversation with Davis & Fraser, regarding the hog situation, they state that what pork is offering is a very good quality, but the supply is not anyway near adequate to meet the present demand for the finished product. New packed meats are required to hold the best customers, and if farmers have hogs ready, it would be appreciated if they send them in promptly. Prices are high and farmers have every inducement now to market hogs as early as possible.

ISLAND SOLDIER IN ENGLAND

Pte. Cudmore, of Charlottetown, writes:

Shorncliffe, England.
Sept. 8th, 1916.

Dear Parents,—I received your most welcome letter yesterday, and you can imagine how pleased I was to get it, for I have not heard from P. E. I. since I left Valcartier. I thought you must have all been dead. I have not had a letter from William or Myrtle, but I had one from Mabel since I came to England. It went to Valcartier first and then came here. Well, mother, I had a splendid trip to London. I saw Buckingham Palace, the Tower of London Tower Bridge, Westminster Abbey, London Bridge, and everything else that is worth while seeing, and I tell you there are some sights up there. There are lots of wounded Canadians,—you see them with legs and arms gone, by the dozen; it certainly is a pity to see such able-bodied men all crippled up, but that is war. We have not been drilling very hard lately, for we are taking a course of musketry. When we finish this course and stand the test, we are going over to France shortly after that. I heard the autos can run on the Island now, if that is true it will be "the making" of the Island. They run in all directions here. By the way the war is going, I think it will be over soon, for they are running the Germans right ahead of them, and that can't last forever. Give my love to all.

UNIQUE RECORD OF CALGARY FAMILY IN ONE BUSINESS

Long Line of Shoemakers in Ancestry of W. H. and J. P. Hood.

(Calgary Herald, Sept. 23.)

J. P. Hood, of Hood & Irvine, dealers in high grade footwear, 113 Eighth avenue west and 107 Eighth avenue east, left for Calgary for a trip to the east last night. Mr. Hood's trip will combine business and pleasure in an unusual way, for his visit to the eastern footwear markets fits in nicely with the marriage of his daughter, Miss Jennie C. Hood, to take place in Boston on September 30. Miss Hood, who will be given away by her father, becomes Mrs. E. W. Beer, her husband being, like her father, a Prince Edward Island man, and an official of the P.E.I. railway.

Hood & Irvine some time ago took over the store at 113 Eighth avenue west, the removal to these premises, so much more commodious and central than their old location, being necessitated by ever-increasing patronage on the part of the public. As the lease of the store at 107 Eighth avenue east does not expire until towards the close of the year, this store, in which the flourishing business of Hood & Irvine was built up, will be kept going in the meantime. Both stores are doing well, the new location having been a success from the first, Mr. Hood said.

If long-standing family connection with a particular branch of trade bespeaks service, value and constant attention to customers' needs, then, indeed the house of Hood & Irvine should appeal with added confidence to public patronage. Mr. Hood's father, grandfather, all his uncles, and his great grandfathers on the Hood side, were all in the shoe business, most of them, as was the rule in those days, having learned the business at the bench. W. H. Hood, brother of J. P. Hood, and also a partner in the firm, was brought up to shoe-making, and was with the Pryce-Jones company in Calgary up to the formation of the Hood & Irvine concern. F. M. Irvine, the third member of the firm, has been in the shoe business in Calgary for over 18 years.

J. P. Hood, while in the east, will visit the leading shoe factories and wholesale warehouses of Montreal, Toronto, Boston and New York in the interests of his firm.

RESOLUTION OF CONDOLENCE.

Charlottetown, P. E. I.
October 2nd, 1916

William Murphy, Esq.,
Charlottetown, P. E. I.,

Dear Sir:—

We, the members of the Charlottetown Fire Department, desire to convey to your sister and yourself sincerest sympathy in the loss you have sustained in the death of your father, the late Matthew Murphy.

We also would like to record our appreciation of his faithful and conscientious discharge of all duties connected with our Department during the long period of fifty-one years. He was always to be found at his post of service ready to sound the alarm and working for the efficiency of our Fire Brigade. We feel that, to his promptness in summoning us and excellent care of the apparatus, can be attributed much of the success that has attended our efforts of fire-fighting.

We wish to testify to his worth as a friend for he proved himself such to all the "boys," taking a genuine and kindly interest in all. His hospitality always so cheerfully extended when we assembled in the Fire Room for a social chat of an afternoon or evening, will be sorely missed. His kindly welcome and cheering words will always be cherished in our memories.

Commending you to One who alone can console in your bereavement.

Sincerely yours,
On behalf of the Fire Department,
J. AUSTIN TRAINOR,
A. E. HEARTZ,
D. F. BETHUNE,
