How to Have the Best Cough Remedy and Save \$2 by Making It at Home

Cough medicines, as a rule, contain a large quantity of plain syrup. Two cups of granulated sugar with one cup of warm water, stirred for 2 minutes gives you as good syrup as money can buy.

Then get from your druggist 2 1/2 ounces Pinex (50 cents worth), pour into a 16-ounce bottle and fill the bottle with sugar syrup. This gives you, at a cost of only 54 cents, 16 ounces of really better cough syrup than you could buy ready made for \$2.50—a clear saving of nearly \$2. Full directions with Pinex. It keeps perfectly and tastes good.

It takes hold of the nasal cough or chest cold at once and conquers it in 24 hours. Splendid for whooping cough, bronchitis and winter coughs.

It's truly astonishing how quickly it loosens the dry, hoarse or tight cough and heats and soothes the inflamed membranes in the case of a painful cough. It also stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough.

Pinex is a highly concentrated compound of genuine Norway pine extract, combined with guaiacol, and has been used for generations to heal inflamed membranes of the throat and chest.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Toronto, Ont.

The school was tastefully decorated, "second to none" suitable for the Xmas season with evergreens and flags which was a pleasing sight to all. Prizes for General Proficiency in his class were awarded to Eileen Murray, Rowena McLeod, Wesley McPhee and Dan McCallum. At the close of the "Valedictory" Santa Claus entered, groning beneath the load of fruit and confectionery he carried not only for the pupils but also for the visitors. After he had disposed of his load and wishing the children and all present, "A Merry Xmas" he departed in a twinkling. McLeod, N. McPhee, J. McKinnon and R. Rogers complimented their teacher very highly on the excellent programme but more especially for the pains that she has taken which was proved by the ready answers of the pupils. The examination then came to a close by the singing of "Tippary" by Greta Rogers, a little tot only four years old.
