

The Doctor's First Question
 "How are your bowels?" This is generally the first question the doctor asks. He knows what a sluggish liver means. He knows that headaches, bilious attacks, indigestion, impure blood, are often promptly relieved by a good liver pill. Ask him if he approves of Ayer's Pills. Then follow his advice.

Last week's Wesleyan contains extracts from an address by President Schurman, the distinguished P. E. Islander, who is head of Cornell University, at the "Peace Sunday" recently held in Chicago.

The parishoners of Rustico last year had a furnace installed in their convent which proved very satisfactory and now they have a movement on foot to repair their church in the near future.

Any person desiring to purchase a closed coach of American manufacture, and body of oval shape with glass sides and front, capable of seating six persons besides driver, also a landau should apply at Guardian at once.

At the City Police Court yesterday Benj. Hines and E. Crosby were each fined \$4 or 15 days for being drunk and disorderly. Edward Hennessey for being drunk and disorderly on the street on Sunday was fined \$5 or 30 days.

Y. Peter MacNevin is spending his vacation with his parents in St. Catherine's. He holds a responsible position in Grand Forks, B. C., and may be considered as another "Successful Islander abroad." After the Road Race had taken place last evening the 4th Regiment Band played in front of the Drill Shed. The music was greatly enjoyed and appreciated by a large number of the citizens who went out to hear it. One thing noticed by those present was the over, of by no means a pleasant nature coming from Government Pond. It seems a shame that the way to one of the most popular resorts of the City should not be kept free from objection on such grounds.

Many admiring glances were bestowed, Saturday evening, upon two handsome pieces of furniture displayed in the east show window of Messrs. Beer & Weeks' furniture establishment. For beauty of design and elegance of covering these would be difficult to beat. Much credit is due Beer & Weeks' upholsterer, Wm. Teed, by whom the work was executed. It is safe to state that no better workmanship could be found in Canada and it is most satisfactory to learn that such excellent work can be done right here in Charlottetown.
