A debate of some interest "Resolved that a girl can be of more service to the world as a nurse than as a teacher," was well presented, the affirmative being taken by the Baptist girls and the negative by the girls of the United Church, the judge deciding in favor of the negative. A vote of thanks was tendered to judges. A number of songs were sung during the evening and the rally closed with the singing of Taps.

Mr. Beer left San Diego on March 26, where he had been spending a week with Dr. Goff. At that time the doctor was apparently in excellent health, and was attending to his business as usual. His appearance would indicate that he had many years of usefulness still before him. The late Dr. Goff was a native of Woodville Mills, near Cardigan, King's County, in the Province. Dr. Harry was the last of four brothers of the Goff family, namely, Richard E., George E., Louis W. and Reverend Fado Goff, all of whom predeceased him.

**FOR GIRLS WHO WORK**

**Lydia E. Pinkham's Vegetable Compound is a Great Friend—it Stops Pain and Restores Health**

Toronto, Ontario.—"I work in a factory and I would have to get away from my work every time I was sick. The dragging-down pains and cramps were very bad, but my back was terrible. It hurt so that I couldn't lie down with it. I heard some of the girls talking about Lydia E. Pinkham's Vegetable Compound, and they told me to try it. I have taken about a dozen bottles of it and it has done me a lot of good. I never have any pains or sore back now, and have not been off from work a day since I have taken it. I recommend the Vegetable Compound when I have the opportunity."—Miss Roscoe, 21 Howie Avenue, Toronto, Ontario.

**"The Advice of a Friend"** Hanover, Ontario.—"I was terribly pained and a few odd times I almost fainted. I used to do housework until a few months ago and sometimes I had to leave my work and go to bed. I am now a mender in the knitting-mill. I suffered five or six years from painful periods before I took Lydia E. Pinkham's Vegetable Compound by the advice of a friend. I got relief almost immediately, and I tell my friends what a good medicine it is. You may use this testimonial if you like, if it will help others."

Harold L. Worthy

Congratulations are in order to Mr. and Mrs. Brewer Waugh of Wilton upon the birth of a son. The birth took place at the Princess County Hospital, Summerside on March 30th. All join in wishing the best of luck to the little fellow, who has just come among us.

Mrs. Winslow Bradshaw of Central Bedeque is suffering from a severe illness. The last week, his shown some what of an improvement in her condition, but still she is far from well. The community all hope that before long, Mrs. Bradshaw will be in her usual health once more.

Our genial friend Mr. Colin Shurman was in Bedeque several times last week. Mr. Shurman spends most of his time in Summerside, where he has been employed on Civic affairs. We have heard of taking up his residence definitely in Bedeque. We sincerely hope that these whispering are correct.

Mrs. MacLaren and Mrs. Alvin Yeo of Lot 16, were in Bedeque recently, guests of Mr. and Mrs. John Dawson. Mr. Robert MacLaren accompanied them.

Rev. A. A. McLeod of Summerside, Rev. J. B. Daggatt of Tryon and Rev. J. H. Copeland of O'Leary were also welcome visitors to Central Bedeque recently.

Mrs. Glidden of Summerside, was a recent guest of Mr. and Mrs. Albert Wright.

Mr. Lidstone and Mr. McNeill of O'Leary were visitors to Central Bedeque last week.

Miss Hilda Schurman, Mrs. Edwin MacFarlane, have recently purchased violins, and are training for the Bedeque Orchestra. Mr. Edwin MacFarlane has obtained a Cello, for the same purpose.

Dr. Frank MacFarlane of Boston is at home attending the funeral of his brother the late Mr. Howard MacFarlane. Dr. Frank is a Fernwood boy, and now one of the leading dentists in the city of Boston.

The community of Bedeque, were deeply shocked last Wednesday morning when it was heard that Mr. Howard MacFarlane had passed away. The late Mr. MacFarlane was born and reared in Fernwood, and after his marriage to Miss Helen Leard settled in the community of his birth. He is survived by his wife, and two sons, Herman and Lorne of Charlottetown, and three daughters, one of whom, whose name is a distinct community loss. One citizen expressed it thus: "Men both old and young sought Howard's advice." Perhaps this was as apt a tribute to Mr. MacFarlane as his fellow citizens could pay. His whole life was upright, and his integrity a subject of idealism to others. As a Christian, Mr. MacFarlane lived his creed, and those who were near him at the end, testify to the fact that in the hour of his greatest need, his Christian character, was at its best. The sympathy of the whole community has gone out to the bereaved family, and the numerous relatives. The funeral which took place on Good Friday, April 2nd, was conducted by Rev. D. K. Ross, his pastor, Dr. J. J. Sidey, an intimate friend of the family, and Rev. Fitzpatrick. Truly it can be said of him, as on one of old "He walked with God, and was not, for God took him."

The Baptist Quarterly Meeting of the P. E. I. Association was held at Central Bedeque on Monday and Tuesday March 29th and 30th. Over 100 delegates representing many of the ministers were unable to be present, while others arrived just in time to participate in the concluding meeting on Tuesday evening. Notwithstanding the situation thus created, a very enjoyable time was spent by the delegates, and inspiring addresses were delivered by Rev. A. A. McLeod of Summerside and Rev. J. B. Daggatt of Tryon. Rev. J. H. Copeland of O'Leary arrived Tuesday evening and spoke briefly during the meeting. Especially interesting, was the report of Rev. J. H. Copeland to the people of Central Bedeque as he spoke in glowing terms of the effect of the revival conducted last year, by the present Pastor of the Bedeque Church (Dr. J. J. Sidey) and showed how a real revival, had broken out, and was sweeping the Western part of the Island. One incident was especially to the point. He attended a prayer meeting the previous Saturday evening at Elmsdale where twelve men, mostly members of the United Church at Elmsdale stayed most of the evening in prayer, seeking God's blessing on their work. Such incidents as these were inspiring and clearly showed that the Gospel does need new fashioned methods, in order to attract the rank and file of people, but the old fashioned way in the old fashioned way, is powerful enough to reach men and women of every rank in life. Rev. Mr. Lindsay of Hazelbrook, the Moderator of the Quarterly, was unable to be present, but sent his regrets. Rev. A. A. McLeod, the new Baptist minister at Summerside, made a distinct impression upon his audience. The people liked him, and he seemed to like the people, and Bedeque will always be ready to extend a welcome to Rev. A. A. McLeod. Rev. J. B. Daggatt of Tryon also preached a splendid sermon and extolled the Old Gospel, making it attractive to all who heard it. Mrs. Dr. McNeill of Summerside delivered a splendid paper, on "Medical Missions." This effort was considered by many the very finest of its kind that they had heard, and certainly showed a thorough know-

ledge of the subject. He was twice married, his first wife, Anastasia Power, having predeceased him about twenty years ago. In 1914 he married Annie Kichham, daughter of the late John Kichham, M. L. A. of Souris, who survives.

The deceased was extremely fond of reading and was well posted on the current affairs of the day. He leaves to mourn besides a sorrowing widow, two sisters, Margaret and Mrs. John Coyle and an adopted daughter Mrs. Jas. Lightner, all of this city, to whom the Guardian extends sincere sympathy.

**MRS. MARY A. McDONALD.**

A gloom of sadness was cast over the vicinity of Peake's Station on Sat. March 20th when it became known that the spirit of Mrs. Mary Anne McDonald, relict of the late James A. McDonald, Peake's, had peacefully passed away. She had been enjoying her usual good health until a week previous to her death, when she contracted La Grippe and despite all that tender care could do she sadly breathed her last. During her illness, she was visited and consoled by her pastor Rev. I. R. A. McDonald, who administered to her the last rites of the Roman Catholic Church. Deceased was a daughter of the late Roderick McDonald, lot 49, Vernon River, where she was born in June 1838 and where most of her maiden years were spent. The late Mrs. McDonald was a woman of sterling qualities; always charitable to the needy and ever ready to extend

Mrs. Sabin was formerly Miss Bertha Gorman and Mrs. Melton, Miss Edith Gorman of Charlottetown. Their mother, Frank reside in Charlottetown. Others left to mourn the loss of a loving sister are: James Frederick, Los Angeles, Russel, Portland, Oregon; John, New Orleans. During the past four and a half years the deceased had made her home with her sister, Mrs. Sabin at 207 East Woodward Bldg., Tulsa Oklahoma.

Coming after so short an illness, Miss Gorman's death was a shock not only to her family but to her host of friends here and in Tulsa.

**MR. PETER CLARKIN**

The death Tuesday afternoon at 5 o'clock of Peter Clarkin removed from this life one of Charlottetown's oldest and most respected citizens. Born in Iona about 79 years ago, deceased removed to this city when quite young and entered the employ of the Steam Navigation Company, where by his sobriety, honesty and strict attention to duty he became Chief on the Company's wharf, which position he held until the advent of the car ferry when the company went out of commission.

For fifty one years the late Mr. Clarkin was to be found at his post and it is a known fact that in all that time he lost only one half a day, and that through illness.

For many years deceased was associated with his brother Patrick in the coal trade, conducting an excellent business on Bruce Street and Co's wharf.

When the Navigation Company closed their offices the late Mr. Clarkin retired and has been living a quiet life at his home in this city generally spending his summers in Souris. He was twice married, his first wife, Anastasia Power, having predeceased him about twenty years ago. In 1914 he married Annie Kichham, daughter of the late John Kichham, M. L. A. of Souris, who survives.

The deceased was extremely fond of reading and was well posted on the current affairs of the day. He leaves to mourn besides a sorrowing widow, two sisters, Margaret and Mrs. John Coyle and an adopted daughter Mrs. Jas. Lightner, all of this city, to whom the Guardian extends sincere sympathy.

Mrs. Edgar Clark of Summerside, was a visitor at Central Bedeque last week, and while attending the Quarterly meeting, was a guest of Mr. and Mrs. George Taylor.

Of a family of eight the following surviving members are left to mourn Mrs. Helen McGillivray Boston, Mass.; Mrs. John J. McDonald, Cherry Hill P. E. I.; Mrs. W. J. McDonald, Sandoz, B.C. and Joseph A. on the homestead besides a number of grand children and great-grand children, all of whom will ever cherish her memory. Her funeral to St. Cuthbert's Church on Tues. March 23rd was very largely attended, many friends and relatives coming from a distance to pay their last respects to a devoted friend. High Mass was sung by her pastor, Rev. I. R. A. McDonald after which all that was mortal of a kind and loving mother was tenderly laid to rest in the adjoining cemetery, beneath the shadow of the cross, there to await the final resurrection. The pall bearers were Messrs John Curran, Pius McDonald, Donald McDonald, A. J. Mooney, Peter J. McDonald and Peter O. McDonald. May her soul rest in Peace.

have devoted their lives to the building of our beloved Empire. Theirs was the task of laying the foundation, but they have passed on, and left to us and the succeeding generations to keep on building on this foundation which they have so well laid. Much still remains to be done, that calls for sons and daughters of the Empire who are brave of heart and loyal to the old Union Jack and to all that it stands for.
