FOR JOY OF GOOD HEALTH

Manitoba Woman Thanks Lydia E. Pinkham's Vegetable Compound

Crandall, Manitoba.—"When I was a young girl at home and working I had terrible pains, almost more than I could bear, and I was not regular. These troubles kept me so tired all the time that I had no strength and no ambition to join in with my friends and have a good time. I was just tired and miserable always and life just seemed as if it wasn't worth living. I saw so much in the papers about Lydia E. Pinkham's Vegetable Compound, and then I had a friend who had taken it and told me about it, so I got some. Every month after taking it I got stronger and I soon did not suffer every month. It stopped the pains and helped me other ways. Then when my babies were coming I was tired and worn out the first three months and ached badly. I took the Vegetable Compound right along and must say it made a new woman of me and able to do my work, and it helped me through confinement. You see I am a farmer's wife with a big house to look after, and three babies now. I have told ever so many women about your medicine. Just last week I got a letter from my old chum in the East. Her baby was born fifteen days before mine and she told me she was not feeling very well, her back aches so much, and that she is going to take the same medicine I took. You can use my letter and I hope some one will be helped by it."—Mrs. Jos. H. Kidd, Box 56, Crandall, Manitoba.

IN MEMORIAM

LESTER STEELE

A gloom was cast over Gaspereaux and vicinity when it became known that Lester Steele met his death on Sunday, Aug. 16th by accidental drowning. His body was found three days later by his brother James and cousin Michael Steele of Newport. His remains were taken to his home where friends and neighbors gathered to pay their last respects to one they all loved so dear. It is seldom we are called upon to chronicle such an unfortunate accident at which a brilliant young life was ended at the age of 31 years. It is sad to realize that the cold hand of death makes no discrimination in its choice to be cut down in the spring-time of life, when the youthful mind is filled with so many glowing hopes and in this case it has claimed for its own, one, who by his charming manner, kind and cheerful disposition, endeared him to all who had the pleasure of his acquaintance. Deceased was the son of John Dan Steele of Gaspereaux, and leaves two mourn a sorrowing widow, two small children, Elton age 4 years and Louis age 16 months, also a loving father and mother, four brothers, Angus, Michael, and James at home, Howard in the Canadian West, two sisters Marie at home and Mrs. S. Jackson of Haverhill, Mass. His funeral took place on Thursday and was largely attended upwards of eighty-four carriages and twenty-five autos followed the remains to St. Paul's Church, Sturgeon, where the funeral service

was conducted by Rev. J. C. McDonald, St. George's in the absence of the pastor Rev. Theo. Gal-last, thence to the cemetery where all that was mortal of a kind husband and father was laid to rest to await the final resurrection. The pall-bearers were Philip Jamieson, Fabian Murphy, Benjamin Henderson, Richard Lewellyn, John Lav-ers and Benjamin Creed, and the driver William F. Steele.

EMILY MacEWEEN. There passed peacefully away at her home in Stanley Bridge on the evening of May 5th, 1925, Emily MacEween, widow of the late John R. Taylor, in the 55th year of her age. She leaves to mourn two sons

THE MARKETS

MONTREAL, Aug. 31.—The export trade in Canada grain on the Montreal market today showed no improvement, the demand from foreign buyers being still somewhat limited and only sales of odd lots of oats and American malted barley were made. There was some country from New York exporters houses for No. 1 northern wheat at 22 cents per bushel over the Winnipeg October option for the first half September shipment. Sales of American barley were made on spot at 78½ to 79 cents lower. The demand was quiet, oats at 8½ cents per bushel over the Winnipeg October option c.i.f. Montreal. Owing to the reduced

and one daughter, also two brothers, Russell of St. Eleanors, and Joseph of Cambridge, also two sisters, Mrs. Capt. D. Sutherland and Mrs. A. J. McNeill, both of Stanley Bridge, besides a large circle of relatives and friends. Mrs. Taylor was one of those quiet unassuming women that was never heard to murmur or complain, in fact she was on her death bed before anyone hardly knew she was sick.

She was a faithful member of the Presbyterian church and if all who professed Christ lived as she did there would be less room for the sneers of the world. Those who know her bright and beautiful life have the assurance that she is now in the land of Eternal Love where no shadows fall and where sorrows are unknown.

OTTAWA, Aug. 31.—With reports of a stronger undertone with the Toronto market and of a better outlook in Montreal, oats was the fact that some sales were made for export account. The local trade was inactive but steady. There was an improvement in the demand for eggs and fair volume of business resulted. The tendency was steady. A stronger feeling developed in the butter market, and prices were marked up ¼ to ½ cent per pound owing to the better demand over the cable and the keener competition between local buyers. Cheese prices were advanced ½ to ¾ cents per pound. Old crop beans quoted at \$2.45 to \$2.50 per bushel.
