RACES AT NEW LONDON.

Notwithstanding the severe weather a good crowd turned out to witness the first days programme of the New London Ice Races-Association. There were two classes, the 3 year old trot and pace and the 3 minute class. In the first named event it was a saw between Harry P. Gaukey Boy and Della Park, the former winning the deciding heat. Della Park went a good race but pulled a shoe and injured her foot.

Only three horses lined up for the word in the 3 minute class, Echo Weeks, Madam X and Quixotic. The latter was drawn at the end of the first heat owing to an injury and Madam won handily. The second heat was uninteresting but in the last they raced like a team to within the last hundred yards when Found pulled away and won with something to spare.

events, the 2.40 class, 3 minute and the Happy George Colt stake. The presence of T. Semple with Murdock G. and Jack McArthur with Pathfinder scared out the other eligibles and only these two faced the starter. The gray ghost Pathfinder showed the way in the first heat but when Murdock G. got accustomed to the points and footing, he was not to be denied, and won the next three just nosing out, Pathfinder in the last.

In the 3 minute class five answered the bell and gave a splendid exhibition. The stallion colt Acrola by Aquiri went a corking race and Daisy Darkwood a green pacer was a consistent contender. Madam X was crumpy after her Saturday race and was unsteady.

The Happy George stake called out eight likely youngsters especially noticeable for their conformation and manners. The long end of the purse was pulled down by Happy Jack the Rustico entry. Happy Day the runner up in the first broke a shoe and was drawn. Auto Boy and Happy Pat divided second money and both went a good race, Happy Chief, Geo. McAulay's two year old looks like a prospect being well up in the bunch of seniors each heat.

Among the city friends present were L. Leard with Car Ferry, and Dan Steele from Summerside while J. B. McArthur with Baby Logan had the pleasure of seeing his only wire the forty class.

The Association feels justly proud of their success in giving the game a boost the past season and looks for big doings next winter.

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa.—"When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadfully rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and, of course felt very bad in the morning, and had a steady headache.

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound."—Mrs. FRANK CLARK, 8146 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women for forty years how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It will pay you to do so. Lydia E. Pinkham Medicine Co., Lynn, Mass.

EDEN MUSEE, NEW YORK

The following is one among many letters received by the management of the celebrated Eden Musee, of New York, endorsing that famous institution, under date of March 28th, from Brooklyn Eagle.

"My mother, sister and myself visited the Eden Musee. I asked my sister which man I was to give the tickets to. As there was one real man, the others being figures, she laughed. After we have got inside a bit, the first figure that met my gaze was a figure of a man apparently sleeping, which caused me to jump lively. After that I became accustomed to the situation. Among the most notable figures were the coronation of King George and Queen Mary, Capt. Smith of the Titanic and the destruction of Richardson.

We then went to the Historical Chamber of Horrors where we saw many horrifying things. As we walked around we saw different sittings of Lincoln's life and many other interesting things. An attendant showed us round and explained everything to us. As we had to go to school the next day and as it was getting to 11 o'clock we started for home. Altogether we enjoyed ourselves very much.

Hugh James Gugengack, (age 15) In addition to the above there are hundreds of equally interesting figures and the cinematograph shows every hour and the band concerts play afternoon and evening concerts. The Eden Musee is one of the most interesting places of amusement in New York.

LOSE THEIR PLACES. BERLIN, March 28.—Failure to remember their duty at a moment of danger has resulted in the dismissal of Countess Sophie Von Bernstorff and Countess Elizabeth Von Kantitz, ladies-in-waiting to the Grand Duchess Alexandra of Mecklenburg-Schwerin.

Several weeks ago the ducal palace at Schwerin was partly destroyed by fire. When the fire broke out the two young countesses forgot that it was their duty to rush to the aid of their mistress. They lost their heads and were intent only on getting out themselves, so when the duchess left the burning building she herself pushed a perambulator with her year-old son, Duck Christian, while a nurse carried the three-year old heir to the throne.

"NA-DRU-GO DYSPEPSIA TABLETS Proved of Great Value to Me"

There is only one explanation for the numbers of enthusiastic letters that we receive praising Na-Dru-Co Dyspepsia Tablets, and that is that these tablets certainly do cure any kind of stomach trouble.

Here is a typical letter from Miss Eliza Armsworthly, Canso, N.S.: "It is with pleasure I write to inform you that your Na-Dru-Co Dyspepsia Tablets have proved of great value to me. I tried remedy after remedy but without any lasting good. Having heard of your tablets curing such cases as mine I decided to give them a fair trial. They proved satisfactory in my case."

The remarkable success of Na-Dru-Co Dyspepsia Tablets is such a success as can only come to an honest remedy compounded according to an exceptionally good formula, from pure ingredients, by expert chemists. If you are troubled with your stomach just ask your Druggist about Na-Dru-Co Dyspepsia Tablets, compounded by the National Drug and Chemical Co., Canada, Limited, and sold throughout the Dominion at 50c. a box.
