Father Morriscy's medical researches led him to evolve, out of Nature's laboratory, a Liniment of remarkable curative power. It had the merits of other prescriptions of the kind, without their disadvantages, and contained other ingredients with unique value in bodily ills.

The good priest-physician prescribed it for many kinds of aches and pains with most gratifying results, and after his death it continues to relieve and cure suffering.

cases of backache due to kidney trouble it is efficacious as a supplement to Father Morriscy's "No. 7." It is indispensable in rheumatism, strains, bruises and many similar affections. Taken with the Lung Tonic, it quickly cures cold on the chest.

The Liniment is clean, has an agreeable smell, and when rubbed in goes to the seat of the trouble and promptly gives relief. Nothing more widely useful has ever been compounded. Keep it in the house.

Ask your druggist to-day for a 25c. bottle of Father Morriscy's Liniment, or get it from Father Morriscy Medicine Co., Ltd., Chatham, N.B. 90
